

ST LEVAN PRIMARY SCHOOL

BULLETIN 24 16TH MARCH 2020

Dear parents and carers

We are amidst turbulent times and as a result of corona virus governors have collectively decided that as a precautionary measure, school should not take part in the SongFest today Monday 16th March. This also happened last week in the Redruth area where several schools decided not to attend their Songfest performances so as to not put anyone at risk.

We will also not take part in any trips or visits for the remainder of this term and visitors will not be coming into school, to work with the children or to take assemblies.

We are awaiting instruction from the LA and Public Health about closing the school early before the Easter holidays. We will notify you by text immediately with any news. It would seem very sensible for schools to shut early so that the spread of the virus can be minimized with the additional Easter break. We very much realise this has implications for the majority of us, as working parents and carers.

Your child's safety and wellbeing is our utmost priority; together with working to help safeguard vulnerable and elderly residents and relations within our communities.

Heartfelt thanks from all at St Levan School.

This is a thoughtful gesture from a company....and we felt it was useful to share...

Hello,

As the Coronavirus spreads, we're aware that more schools are closing and pupils' learning is being disrupted. Parents, carers and teachers are looking for ways to ensure the continuity of education during school closures so that no children miss out on valuable learning time.

To support you during this period, Twinkl is offering every teacher in England access to all Twinkl resources with a One Month Ultimate Membership, totally free of charge. We're also extending this to every parent and carer in your school so your pupils can still have access to high-quality learning during any periods of disruption.

Setting this up is really easy to do - go to www.twinkl.co.uk/offer and enter the code UKTWINKLHELPS

We'd like your support to get this message out. Please let your wider school and leadership team know about this opportunity so that you can all share it with your school community.

Please also share this code with parents and share the link above on your website so parents know where to activate their code.

We've also put together some helpful guidance to outline a few ideas for how you can support parents and carers during school closures, ensure high quality learning continues and support teachers, parents and carers to make the most from this offer of help.

If you are an existing Twinkl subscriber on Core or Extra you will be able to use this code to upgrade your current membership using the same link as above.

It's easy to arrange access yourself through our website. If you do have any questions please get in touch with our TwinklCares team. As we are supporting people globally please bear in mind that we are receiving a large number of enquiries so please only get in touch if your enquiry is of an urgent nature at twinklcares@twinkl.co.uk

You can also visit our website - www.twinkl.co.uk

Our thoughts are with everyone affected by the Coronavirus outbreak and we hope that this will go some way towards helping.

Best wishes, **Jonathan Seaton Twinkl CEO**
