## ATTENDANCE

Good attendance is vital for learning. The national minimum expectation is set at 96%. Please help us achieve this and support your child's learning. **Attendance to the end of October:**

Choughs 95%    Puffins 93.4%    Whole school 94%

## Friday 13th November 2020

Parents' evenings have gone very well this week, with one more session this evening. We will send more examples of work home for the end of term. The technology seemed straightforward too!

Lots of spots and pyjamas around the school today for **Children in Need**. At the last count we had raised £78.75, the final amount will be confirmed next week. Our school council were able to sell snacks to their own class and dish out Pudsey stickers. They have had their first meeting this week talking about fundraising and ideas to make school even better!

Your orders for Christmas cards and T Towels have made £270 in commission so far which is great thank you.

I have added a couple of links regarding online safety. There is a wealth of information about how to keep children safe when they are playing games online and parental advice regarding parental locks on devices at home. I've attached a separate document in the bulletin email detailing the SWGFL top ten e-safety tips.

**Diane Blackie—Interim Headteacher**

## Online Safety in School Links

### *Shining Stars of the Week*

*Alice Puffins*

*For being a committed member of student council and ensuring Children in Need ran smoothly. Well done!*

*Freya Choughs*

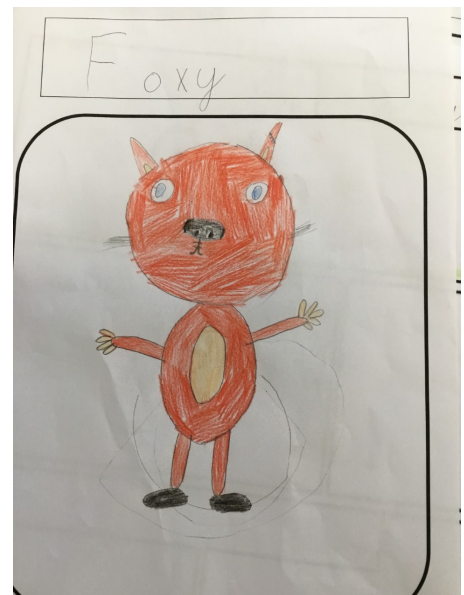

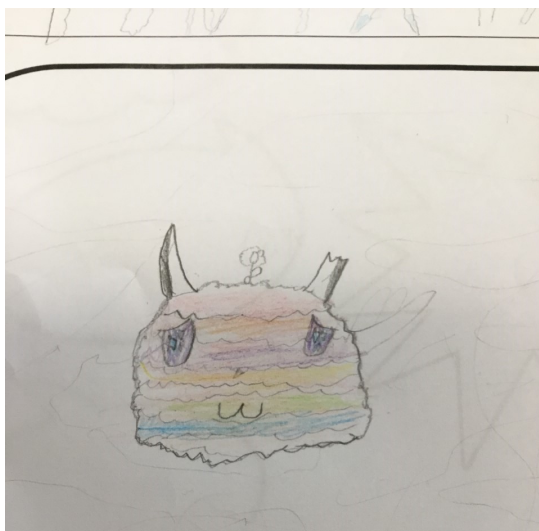

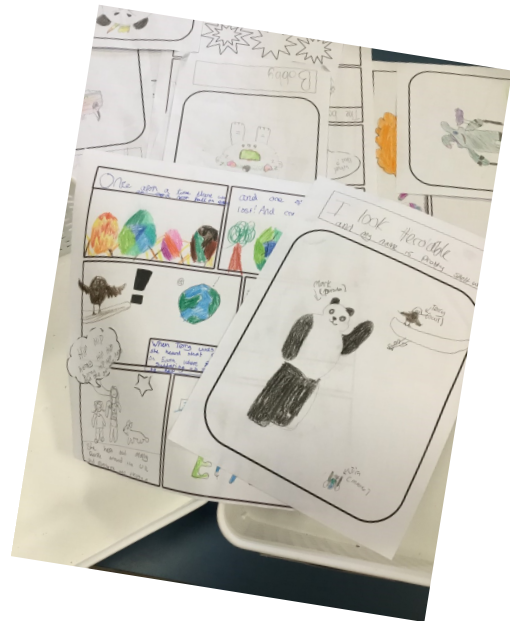

*For effort in writing—you've listened to feedback & are trying new things. Well done!*

Here are some photos of Puffins Class enjoying Children in Need!

Puffins Class imagined they had been asked to design a mascot for BBC Children in Need (Like Joanna Ball would have had done when she designed Pudsey Bear in 1985) and these were their alternative designs to Pudsey!
