Dear Everyone,

I just wanted to say how lovely it is to see all of the children back at school. They all seem very happy, settled and enjoying their work.

I also wanted to take this opportunity to thank you all for your hard work with the online learning during the school closure. Your support for your children and the school throughout these very strange times has been invaluable.

I think we are all looking forward to slowly getting back to some sort of normality and we are certainly looking forward to offering the children all sorts of exciting opportunities on their return for the summer term.

Many thanks again

**Sharon Brolly—Chair of Governors**

## **Friday 12th March 2021**

It was just lovely to hear the sound of children playing and learning around school once again. They seemed remarkably calm about it all and really pleased to catch up with friends. We have started online assembly with both classes on Monday afternoons so they can 'see' each other in school, Choughs found it highly amusing as they passed the office on their way out 'I've just seen you upstairs'!

We've had a fire drill this week, which went very well. I did inform staff and children it was going to happen this time because I didn't want to raise anxiety levels on this first week back.
