Christmas Market (further information to follow)

Thurs 9th December

Christmas Production

Mon 20th December - Tues 4th January

Christmas holidays

Friday 5th November 2021

I hope you all had a lovely half term despite the weather. Teachers have been sharing your child's progress and next steps with you this week. It is always interesting to share and discuss with you what interests children at home and how they are getting on.

I am pleased to say that we will be holding three Little Levan sessions with John Brolly for next year's potential Reception starters on 12th, 26th November and 10th December. These will be held in our new outdoor canopy area or the outdoor classroom. Please spread the word if you know anyone with a child due to start school next September.

Our Inset Day was spent at the Eden project where Miss Ferguson, Miss Finch and I were able to listen to national speakers on Education. They always provoke thought and reflection and we came away with ideas, information and reassurance about what we provide and who we are as a school. It is also brilliant to have the time to talk and share ideas with each other with no other deadlines looming, not to mention an early Christmas spend in the shop at the end!

Diane Blackie—Interim Head Teacher

ATTENDANCE

Good attendance is vital for learning. The national minimum expectation is set at 96%. Please help us achieve this and support your child's learning.

Attendance to the end of October:

Choughs 93.2%

Puffins 93.4%

Whole School 93.3%

Shining Stars of the Week

Sennen Puffins

For being such a helpful and supportive friend to all. Well done Sennen!

Freya Choughs

For being a thoughtful friend and fabulous role model to all in Choughs. Your attitude to all learning is commendable. Well done!

Penlee House Gallery

A big thank you to all at Penlee Museum for a brilliant workshop all about old toys. We played with some replicas and sketched what we'd seen. After our picnic in the park, we had time for a play too. We were exceedingly lucky with the weather!

"I saw a doll and we called her Rosie". - Rae

Rosie's head is china and has the number 168 on it and if the head broke you could ask for a 168 head. - Céleste

We saw a wind-up motorbike in the museum. - **Oscar**

My favourite was the snapping crocodile. - **Regan**

I loved the crocodile. It was crazy! - Oliver

In the playground, there were lots of squirrels. Everyone loved the roundabout and Miss Ferguson even had a go! - Freya

I liked the wind-up motorbike because when you wind it up it wizzes off. - Bertie

The crocodile was as green as the trees and quite bumpy. It was sparkly. The legs looked funny because the legs didn't have any details. - Beau

We had to twist the Jacob's Ladder. It was fun! - James

The Jacob's Ladder has ribbons and is made out of wood. - Alanya
