

ST LEVAN PRIMARY SCHOOL

BULLETIN 30 21ST MAY 2021

Communications:-

Text:

- Sun cream, hat & water bottle

Email:

- Sapling planting instructions
- Year 4 & 5 transition information
- Swimming Year 5 & 6
- Letter from Chair of governors re: Ms. Carter
- Year 2 Dyslexia Screening Test

DATES FOR THE DIARY

Mon 31st May—Fri 4th June

May half term

Tues 8th June

Year 5 & 6 swimming, Penzance Leisure Centre

Wed 9th & Wed 23rd June

Puffins Class Surf & Water Safety Days

Tues 15th June

Puffins Class Minack trip—The Further Adventures of Dr Doolittle

Wed 16th June

Choughs Class Minack trip—The Further Adventures of Dr Doolittle

Mon 21st June

Puffins Class Gweek Seal Sanctuary trip

Thurs 24th June

Sports Day

Mon 28th – Wed 30th June

Puffins Class Heatree Activity Centre Residential trip

Thurs 1st July

Choughs Class Trewidden Gardens trip

Tues 6th July

Year 6—Humphry Davy School Taster Day

Year 6—Cape Cornwall School Taster Day

Friday 21st May 2021

We had our first football match of this school year on Wednesday afternoon. Children were excited to be representing the school in a sporting fixture once again and looked very smart in their kit. Have a look at the photos and match report written by Lailani.

Under the DFE guidelines we will be able to provide Breakfast Club once again after half term. This commences at 8.15am and costs £1. Children need to arrive before 8.30 to ensure there is time to eat breakfast before school starts. Please can you contact Paula to book your children in so we have some idea what the numbers will be. Thank you.

Our clubs will also re-start after half term on Thursdays, involving PE Multi Skills for Puffins and Art Club for Choughs. We will send a separate letter out about this.

Diane Blackie—Interim Head Teacher

Now the weather is getting warmer, please can you send your child into school with a named bottle of sun cream, a hat, a water bottle and perhaps a rain coat for those not so sunny days! Many Thanks.

ATTENDANCE

Good attendance is vital for learning. The national minimum expectation is set at 96%. Please help us achieve this and support your child's learning.

April figures:

Choughs 90.4%

Puffins 91.1%

Whole school 90.8%

Conversation Topic:

This week, everyone took home a tree sapling.

Have a think about what you might be doing in your life when your tree sapling is...

.As tall as you (Will you still be at this school? Will you have grown taller?)

As tall as your Mum or Dad (How old will you be? What things might you enjoy doing?)

As tall as your house (Would you have a family of your own? What might your job be?)

What if it grows even bigger than your house? What then?

Shining Stars of the Week

Sennen Puffins

For persevering, showing great determination and independently ÷ and x by 10, 100 and 1000! Well done!

Theo Choughs

For fantastic effort in all areas of learning—you have listened brilliantly, joined in with maths and written a wonderful story. Well done Theo! A super week.

Football Match Report by Lailiani

On Wednesday 19th May, Trythall and St Levan has a small football match from 4.00pm-4.45pm. The score of the two teams were 7 and 2 scored. Trythall's score was 7 and St Levan's 2.

Everyone in the match had plenty of fun and although St Levan lost by 5 nobody minded. Brooke, Tayler, Bryher and Chloe took turns in goal, St Levan's goal scorer was Will and a very well done to everyone!

Police and Council launch campaign to inform and reassure communities about the impact of the G7 Summit:

G7 Summit

#G7prepared

Prepare for disruptions over the coming weeks including:

**Building barriers around the host venues and limited access to certain areas**

**Road closures**

**Maritime limitations**

**Aviation restrictions**

**Public transport restrictions**

We are working hard to minimise the impact on local communities.

Details shared of local disruption

Devon & Cornwall Police and Cornwall Council has launched a campaign around the impact of the G7 Summit on people in the affected areas.

Residents, businesses and visitors are being informed of the key details around disruptions, restrictions and diversions before, during and after the event.

The G7 Summit is taking place between 11-13 June and will host world leaders in St Ives, with Falmouth and Newquay Airport also providing support venues for the event.

The campaign will provide important information relating to disruptions that can be expected in the run up to and during the Summit. This will include the installation of security fences around key venues; road, rail, aviation, maritime and footpath closures and restrictions and some diversions; all of which are being put in place to ensure the safety and security of the event for both residents and the delegates.

To manage traffic around the venues and keep residents safe, a number of traffic management measures will be put in place, including:

- In the St Ives and Carbis Bay area the A3074 (St Ives Road) will be closed to all traffic from 9am on 10 June until 11.59pm on 13 June. Security barriers and fencing will be installed from the 4 June and there will be some initial short-term disruption, but full closure is not planned until 0900 on 10 June. The Old Coach Road via Halsetown will be used to provide access to St Ives and delays are expected.
- In St Ives local amenities will largely remain open, and all beaches other than Carbis Bay will be accessible.
- St Ives town centre and harbour will be open. In Carbis Bay, the section of the South West Coast Path which runs through the Carbis Bay Hotel will be closed with a temporary diversion in place.
- In Falmouth, where the Maritime Museum at Event Square will be used as the media centre for the G7 Summit, both Grove Place and Maritime car parks will be closed between 27 May and 19 June. Campbelltown Way will be closed to traffic between 27 May and 19 June. The car park in Church Street will be closed for pay and display 10 to 13 June
- Around Cornwall Airport Newquay - there will be a number of road closures and parking restriction orders in place around the airport for the duration of the event, beginning at 6pm on 9 June, and ending on 11.59pm on 13 June.
- Some restricted areas in St Ives and Falmouth will require residents and business workers to provide two forms of current identification linked to their home or business address in order to gain access in vehicles to those homes or businesses. These might be a council tax bill, utility bill, bank statement (within the last three months) or driving licence.
- Businesses within the perimeter and in the immediate vicinity of Cornwall Newquay Airport will be contacted shortly by the Cabinet Office with specific identification requirement instructions.
- Any delivery driver or service provider seeking entry to restricted areas will need to provide proof of manifest / order confirmation to the address that they are seeking to access along with their personal company ID. The same principle in terms of suitable documentation and ID will need to be presented by any care workers or similar (e.g. charity volunteers who are providing support to residents within the community).

Pedestrian access will be restricted in areas of the immediate vicinity of key areas and people will be subject to security checks. Only residents will be allowed access to these areas.

Further security arrangements are still being finalised, but details will be shared as soon as possible.

Face-to-face meetings, leaflets and mailings are among the methods being used to keep in touch with residents who do not have access to online information and police are asking people to share updates with those who have difficulties finding information online. E.g. Private carers letting those they care for that they will need ID to gain access to the restricted area.

Superintendent Jo Hall of Devon & Cornwall Police said: "Our local policing teams and Council community link officers have been working together to engage with communities in St Ives, Falmouth and Newquay since the announcement of the event.

"This campaign aims to further inform and reassure communities about the impact of the event in the local areas and the temporary changes they can expect.

"We are working hard to minimise the impact of the Summit on local communities and we are engaging regularly with residents and other partners in the affected areas. We would encourage residents to speak to their local police officers about any concerns they might have.

“There will be a certain level of disruption caused by the restrictions and closures, but we hope that people will understand that these are essential to ensure a safe and secure event for delegates and the wider community.

We are thankful for the support and understanding of residents and visitors and we hope that the Summit will leave a positive legacy for Cornwall.”

Kate Kennally, Chief Executive of Cornwall Council said: “We are working hard to ensure that hosting the G7 in Cornwall will bring long-term economic benefits for all residents of Cornwall, but it will mean some short-term impact on those living nearest to the venues which are hosting the event. We will work with the Devon and Cornwall Police do all we can to minimise the effect it has, and our priority will remain, as ever, looking after our residents.

A dedicated G7 Summit website, www.dc.police.uk/G7, has been created to provide up-to-the-minute information so that people can stay informed. The website includes useful information including a news section and answers to our most frequently asked questions. There are localised maps of the affected areas which show road closures and restrictions, along with diverted routes, so people in and around the area can plan their journeys.

A Facebook Live event will take place this evening from 6pm, where Devon and Cornwall Police, Cornwall Council and the Cabinet Office will be available online to discuss the impact of the Summit and answer any questions.
