FAMILY FRIDAY

Every Friday afternoon, starting next week, the children in both classes will have an opportunity to be involved in this year's gardening projects, which include growing our own vegetables and creating a new play area. To make this a success we need some adult help.

If you are able to spare an hour or two to help work with a small group of children in the grounds we would love to hear from you.

Please let Paula know if you can help out—green fingers are not a necessity!

PUNCTUALITY MATTERS

As you will have seen in the start of year letter, the playground is now open from 8.30am for children not attending breakfast club. We hope this will help with morning drop off timings, as the gate will now be closed at 9.00am promptly. After that time, anyone who arrives will need to sign in at the office with Paula first before going to class, as registers will be closed.

ATTENDANCE

Good attendance is vital for learning. The national minimum expectation is set at 96%. Please help us achieve this and support your child's learning.
