Friday 7th May 2021

Another week has just flown by. We are so lucky to be able to collaborate with the Minack; Years 5 & 6 had a splendid time there testing out a mystery tour. See overleaf for pictures.

The school owes a huge thank you to Mr Jamie Ward who has been working quietly away in the garden area creating a wonderful bespoke climbing, grappling and exploring creation for Choughs Class.

Next week each child will receive a young tree whip/sapling to plant to help encourage more trees to be grown in Cornwall. Our thanks to Derek Thomas, who used to be a parent here, in combination with the Woodland Trust. You will receive an information leaflet showing children how to care for their trees as well as a stake and sapling shield.

I completely understand any sense of impatience about when things will finally get back to normal. We are with you on this and are pencilling in all sorts of things for when we have the go ahead. I don't want to raise false hope until we know we can relax a little more. Not long now hopefully.

Shining Stars of the Week

Jemima Puffins

For finding the confidence to work on your story independently! It is a great read full of fantastic ideas.

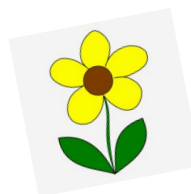

Summer Choughs

For taking ownership of your learning—you are listening to feedback and working hard to improve. Well done you!

Minack Theatre Mystery Tour

Years 5 and 6 were invited to take part in a mystery tour at the Minack Theatre on Wednesday. After meeting some theatrical figures from the past, and searching the entire site for names, dates, clues and carvings linked to the history of the place, our undercover explorers were able to crack codes and find the magic words needed to solve the mystery of the Minack!
