Your child is learning to read with *Read Write Inc.* **Phonics**, a very popular and successful literacy programme. This **second booklet** shows you how you can get your child off to a quick start.

Your child will learn to read in a very simple way.

1. Read **letters** by their 'sounds'
2. Blend these sounds into **words**
3. Read the words in a **story**.

## How will my child learn to read?

Your child will already have learnt to read:

- Set 1 Speed Sounds: these are sounds written with one letter:  
**m a s d t i n p g o c k u b f e l h r j v**  
**y w z x** and sounds written with two letters  
(your child will call these 'special friends'): **sh th ch**  
**qu ng nk ck**
- Words containing these sounds, by sound-blending,  
e.g. m-a-t *mat*, c-a-t *cat*, g-o-t *got*, f-i-sh *fish*,  
s-p-o-t *spot*, b-e-s-t *best*, s-p-l-a-sh *splash*

## How to listen to your child read

- Do not read the book aloud before your child reads it to you.
- Ask your child to read the sounds and words before he or she reads the story.
- When your child reads the story, ask him or her to sound out the words that he or she can't read automatically. Don't allow your child to struggle too much. Praise your child when he or she succeeds.
- Read back each sentence or page to keep the plot moving. (Your child's energy is going into reading the words not the story.)
- Do not ask your child to guess the word by using the pictures.
- Do it all with patience and love!

We have a story time every day at school so children develop a love of books. We hope that you will do the same by reading a bedtime story to your child every night. We have wonderful books in school for you to borrow from our story box, from which we choose a book to read every day.

Your child will bring home a *Read Write Inc. Phonics* black and white Storybook. This is a copy of the colour version he or she will have read at school.

Your child will have read this story three times with their reading teacher, so should be able to read the story confidently.

A brief explanation of how to follow the activities is included in the books.

We have put a lot of thought into selecting approximately 30 core story books for Choughs Class. Within our story box there are classic titles, new authors, repetitive and rhyming stories; something for everyone!

Each day, we will read one of these texts in school. There are multiple copies of each book and children can choose to take one of these home to read with you. The idea is for you to read the book to your child but, if they want to join in, let them. You could take it in turns!

We have bought these books with a view to developing children's language and comprehension skills. They are to be used alongside the Read Write Inc. books which teach children to read.

## 1. Help your child read the Sets 2 and 3 Speed Sounds

We do not normally recommend buying flashcards for home use. However, we make an exception for these. They are great cards linked to the phonics scheme we do in school. You could use them with your child during their time in Reception and Year 1. They retail at £6.99. However, you can order them from Amazon for less than £5.

Each sound has a picture and phrase to help your child remember the sound. For example:

- the sound 'ay' has the phrase 'May I play?' with a picture of children playing together
- the sound 'ee' has the phrase 'What can you see?' with a picture of two boys in a tree.

## Using the Set 2 Speed Sounds cards

First, in the pack, find the sounds: **ay ee igh ow oo**

1. Picture side up, ask your child to say the phrase on each card, getting quicker each time.
2. Help your child to say the sounds on the letter side, getting quicker each time. If he or she forgets, turn back to the picture side. When your child can say the sounds without turning over to check, increase the speed!
3. Repeat with the sounds: **oo ar or air ir ou oy** and then mix these sound cards with the ones above. Keep practising until your child can read these 12 sounds quickly and confidently.
