Dear Parents

Parents' Meetings Thursday 2nd March 2017

We would like to invite you to a parent consultation meeting with your child's class teacher. The purpose of this time is to give you a chance to view and celebrate your child's work, look at the work on display in the classroom and most importantly have the opportunity to discuss your child's learning and next steps. We value your support and the importance of working together to support your child on their learning journey.

This year we are offering a few early morning appointments between 8.30 – 9.00am as we know it is sometimes difficult for parents to return in the evening.

Please indicate on the slip below which time slot would be most convenient for you. If you can choose more than one time slot then that would be really helpful, so that we can ensure that appointments for more than one child can be as close together as possible. Please ensure slips are returned to school by **Thursday 23rd February 2017**. An appointment time for your 10 minute meeting will then be sent home.

Yours sincerely
