Morvy recommends 'The Girl
who Speaks Bear'

"This is a very big book with 35
chapters about a girl whose
grandmother is a bear. The girl
also turns into a bear but misses her mother
so turns back into a girl. Most of the story is
happy but it's also a bit scary when they are
trying to defeat a dragon!!"

Thank you to everyone who has asked after Ms. Carter and sent their best wishes and thoughts. She remains in Derriford under the care of the team there. Thank you for your understanding at this time.
