Year 2 Transition Day—spending the day in Puffins Class

Year 6—Humphry Davy School Taster Day

Year 6—Cape Cornwall School Taster Day

Tues 13th July

Puffins Class Ocean World performance, Minack Theatre

Friday 11th June 2021

Year 5 & 6 enjoyed being able to go swimming once again. Next week there isn't any swimming for them because of Puffins' Minack trip on Tuesday.

On a dull and misty Wednesday, at Sennen Beach, our Year 3 & 4 pupils had a water safety day on Wednesday. This helped reduce the risk of sunburn. Everyone had a super day. Please see our photos and report on the following page.

I've had the absolute delight of teaching a Jigsaw lesson this week (our PSHE programme). After a lot of preparation it is great to get going with it across the school. All pupils were reflective and showed deep thinking, consideration and well-developed listening skills.

The Royal Central School of Speech & Drama students are with us next week. They will be organising outdoor workshops, debates and activities linked to our current topics. They will be working outside, complying with our Covid precautions and taking rapid flow tests daily.

Thank you so much for your organisation. All children have come to school this week equipped with what they needed for activities and trips. We've started **clubs** again, which are being well attended and don't forget **Breakfast Club** is back on as normal.

Finally, next week I will be sending out a parent survey, based on Ofsted's parent survey questions. This is usually an annual event in schools to collate viewpoints. We feel it is more important than ever, after the school year experienced by all! It is an anonymous survey, therefore it will come home to you as a paper copy and we will leave a box down at the gate for you to return these. Thank you in anticipation of as many of you as possible completing this.

Good luck to our pupils taking part in a VIP event tomorrow and thanks to staff for dipping into your weekend to take them, very much appreciated!

Diane Blackie—Interim Head Teacher

ATTENDANCE

Good attendance is vital for learning. The national minimum expectation is set at 96%. Please help us achieve this and support your child's learning.

May figures:

Choughs 90.4% Puffins 90.6%

Whole school 90.5%

Shining Stars of the Week

Brooke Puffins

For tackling all learning with positivity, enthusiasm and determination!

Astrid Choughs

For dedication and perseverance in all learning, particularly maths. You aced the 99 Club!

Water Safety Day with Sennen Surfing Centre.

What a day!

After arriving at Sennen beach and getting off the minibus, we were invited to our instructors. Dave (who was crazy!) and Jackson (who taught us all about the parts of the surfboard later in the day). We started the day with a beach clean. "Lifting up the seaweed revealed so many different plastic nurdles. It was really sad how much there was."

We managed to safely clear quite a bit of rubbish including paper, rope, a toy soldier and even cigarette butts and by the end we had filled a whole black bin bag! Next, we visited the lifeguard hut and learnt about what all the different flags mean. After lunch we got to go surfing! It was so much fun and everyone caught waves!

Thank you to Sennen Surfing Centre for a brilliant day.
