We had a wonderful trip out last Friday to see Cinderella at the Hall for Cornwall. The theatre itself is looking very grand after extensive refurbishments. Children were well behaved in a busy environment and joined in with actions and chants at every opportunity. Please read children's reports on page 2.

You will have fathomed no doubt that we haven't had the easiest of weeks. We wish Mrs King, Mrs Williams, John Brolly and Tasha Beautyman speedy recoveries.

Children, as ever, never cease to amaze us with their adaptability. They have just rolled up their sleeves and embraced the idea of filming our production instead. This has now commenced in earnest.

The Book Trust's 'Book Start'

Our Reception children got a very exciting gift last week- a brand new book from The Book Trust. It was called 'I am a Tiger' and is a very silly story featuring a mouse with a very high opinion of himself! We really enjoyed reading this story together and hope you've enjoyed it as much at home.

Cinderella - take 2

Wow St Levan!

We are so incredibly impressed by your professionalism, determination and enthusiasm as you have prepared for our altered retelling of Cinderella! You did not let the disappointment of not being able to put on our usual show at the Acorn Theatre get you down and are now shining in every second of the new version.

It has been so enjoyable filming with you and we cannot wait to share the results of all your efforts with you and your families!
