## **PORTHPEAN 2018** - a huge success!

Sun, sea and smiles is how we can sum up our 2018 residential trip to Porthpean Outdoor Education Centre with Years 4, 5 and 6. The children represented school superbly and really got stuck into every activity, supporting each other so that everyone was able to achieve their best and making friends with other visitors to the centre readily. The weather was glorious and made the trip even more magical as the water sparkled and we didn't even have to unpack our raincoats! The activities were seriously good - different

people were challenged by different aspects of each day and the instructors made everything as fun as possible.

"I really enjoyed the water days - I LOVED looking at the MASSIVE starfish - Lola"

Join us at our Celebration Assembly for a slide show and full resume of all that went on!

## SENNEN BEACH ACTIVITIES DAY

We had a great whole school day at the beach last week – with the perfect weather! We arrived in time for a pasty lunch and drama activities with John Brolly. Wave jumping, jellyfish spotting, hole digging, sand sculpting and surfing – kept us all busy! We just about had time for an ice-cream before parents started arriving. It was a great day and so wonderful to see all the 'surfers' standing up and riding the waves – you were all

amazing and displayed so much skill and confidence! A memorable day.

## PICNIC TREAT FOR CLASS 1

After a lot of hard work earning all ten of their stars, Class One had voted for their treat: a picnic and games up at the field. It was the perfect day for it: warm and pleasant but a touch overcast. The teachers heaved a sigh of relief that it was neither raining nor so hot everyone would get sunburnt. Perfect!

We left immediately after registration and spent the morning up there. The food was delicious and, mostly, healthy. Yum! Tummies full, we played on the trim trail and in the park, hunted grasshoppers, had a game of football and all took it in turns getting wrapped up in the parachute. Lots of laughs! A big thank you to everyone who brought a snack to share with their friends and to the grown-ups who helped out and made this treat possible. A lovely day and so much fun, we forgot to take any photos. Whoops!

## LAFROWDA CELEBRATIONS

Thank you to all the families for coming out to support us. The children sang superbly on the stage and we took part in two great processions. Huge thanks to Susie and the team for bringing Anansi to life. Anansi will of course take up residency in the school – look out!

**GYM CLUB RULES!** - Children in Years 1 and 2 have loved attending Penzance Gym Club as part of the ever expanding extra curricula activities offered at St. Levan School. Once again our minibus proved invaluable, getting us there safely and in style! Our instructors were ready on our arrival and soon got the children jumping, leaping, running and climbing. The children were tested to their physical limits but all proved worthy. From spring boards, floor exercises to parallel bars, the range of activities offered was fantastic. The instructors were very professional and gave great guidance to our children. We can't wait to go again!

**FAREWELL YEAR 6s** - We cannot quite believe the time has come for us to say a massive '**CONGRATULATIONS**' and fond farewell to our wonderful **Year 6** children. We are so proud of all of their individual achievements and we know they are going to do brilliant things as they move to their secondary schools. Keep believing in yourselves and try every adventure that comes your way! **Good luck and best wishes for the future Year 6s!**
