Can you believe we have almost reached the end of another school year? We have achieved so much in this last month alone! Do come to our end of term '**Celebration Assembly**' on **Tuesday at 2.00pm**. We wish our departing Year 6 children – Bryony, Donald and Marie all the very best as they continue their journey to secondary school and we celebrate the achievements of all our children at St Levan, followed by a performance from our dancing group and a cream-tea. Everyone is welcome.

School finishes on Wednesday at 1.30pm and the children return to school on **Wednesday 6th September**. We have had another fabulous year and thank you to you all for making St Levan such a special place to be. We wish you all a safe and happy summer break with friends and family. Huge thanks must go to the whole school community for organizing, supporting and making so many events happen not just during the whole school year but especially during these busy last few weeks! Here are some of the highlights from recent events this month. Enjoy!

Lafrowda

What a fabulous day! Rain and sea-mist could not dampen the spirit of St Levan. It was a great turnout with many families – past, present and future – dressed-up, singing and having a great time!

Our shark swam through the misty sky. Who would have thought milk bottles could be so scary! Charlie continues to be a big part of St Levan and we can't thank her enough for her inspiration and her many many extra hours and days that she put into this project. Thank you to all our families for making this a special day and for helping behind the scenes – with Charlie, the trolley, music and shark transportation! A true community effort.

St Levan sounded fabulous on the stage – the best ever! Thank you to John Brolly and Anya Finch for the inspiration they have given our children throughout the year.

SONGFEST was a great way to start the year, giving our small group of children the confidence to sing so beautifully the whole year through. A special mention must go to Fred for introducing each song with such enthusiasm!

Photos are available online via a private link which will be sent to the families who attended the event- please feel free to download pictures of your children for your own personal use.

Thank you

Class One Weddings

Miss Ferguson is about to get married and we are all excited. To squeeze as much learning as possible out of this happy occasion, we decided to have our very own weddings in Class One. Based on the story, 'The Scarecrows' Wedding', we had two distinct ceremonies.

One took place at St Levan Church and gave us the chance to learn more about the Christian faith and how weddings have been traditionally celebrated in the past. The sun shone as our friends, families, teachers and chums from Class Two gathered to watch the marriage of Betty O'Barley and Harry O'Hay. We wrote our own vows, prayer and blessing and incorporated our own choices of songs and readings into the ceremony. Afterwards, we signed the register and cut the cake. The 'professional photographer' was bossy but the confetti was great fun and the cake, delicious!

The second, which took place the next day, celebrated weddings from around the world. We found out about ceremonies from India, to Germany, to Australia, and designed our own 'fusion' wedding inspired by what we'd found out. We even sawed a log (stick!) in half! The morning ceremony was followed by an afternoon of even more cake, speeches and dancing. Musical bumps and statues should become a staple at every wedding. I think Miss Ferguson has got some ideas!

Pizza-making

The sun was shining as Class One donned their wellies, brandished the passata and headed down to Bryher and Sorrel's house in Penberth. We spent a lovely morning making our own pizza dough, playing in the river (a few of us got rather wet!) and, finally, baking our pizzas in the outdoor oven. They were scrumptious and there were smiles all round when Vickie produced a chocolate and banana pizza for pudding. Lovely, thank you Vickie and Tristan!

Sports Day

We all had a fantastic time taking part in our annual sports day. After a gentle stroll up the hill ("Quicker, children, we're going to be late!" our teachers cried), Mr Tremaine led us in our second warm up. Our parents and teachers looked on proudly as we took part in a range of fun games and activities including hula

hooping, running, throwing and the much-loved water balloon toss! The best bit was when Mr Yarwood and Ms Storey got told off. After all of our hard work, we enjoyed a play in the park with plenty of squash and snacks. A super day!

Super Sleepover at St Levan

The evening began with everyone running across the blustery playground with their bags stuffed full of pillows and sleeping bags. Once each bed space had been perfected and everyone had said their final goodbyes we began the challenges that would decide if the chocolate fountain was available or not... Challenge one: Design a Lego Vehicle, was successfully completed- the chocolate fountain could be used. Challenge two (make a prototype fish for Lafrowda) was also completed and the chocolate for the fountain was awarded. Task three was a health and safety drill and as everyone listened so well marshmallows, grapes and strawberries were also awarded. So after an indoor BBQ (thank you Mr Yarwood!) we dipped and dunked items into the delicious chocolate fountain. Mmmmm. After a film, we all settled down to sleep and the next morning had a delicious cooked breakfast - thank you Mr Yarwood again! A brilliant evening, well done everyone!

Mud, mud glorious mud! What a Trip!!

We had mixed weather on this year's residential from glorious sunshine on days 1 and 2 to absolute pouring rain on the final day. The centre was absolutely beautiful and the children represented St Levan brilliantly. Everyone challenged themselves in different ways, worked well as a team and always found the fun in everything we did. The Low Ropes course was a particularly fun event – I think we'll be washing the mud off for weeks to come! Raft building, fencing, archery and orienteering were also brilliant as were the staff who commented on what a kind and considerate group of children St Levan were. Well done!

Sunshine, Bunting and Cake!

Flags were flying and the sun was shining for the spectacular Summer Fete and Tea Party, with a soundtrack of music provided by the trio of brilliant buskers Alfie, Tonsley and Morgan. Pennies were spent and pounds won in the money tree game, and Postman Pat helped Florence pick out a very lucky winner from the post box. Recycled paper necklaces from Tamsyn and polished nails

from Bryony and Amelia got you all ready for the delicious tea party spread, whilst resident tattoo artists Olivia and Elyssa added the finishing touch. Miss Ferguson braved the wet sponges and class 1 had a roaring trade on their chocolate and bits and bobs stall. Popcorn and lemonade were flying off the stand, and guessing games and lemon balancing kept the brain busy. All of the brilliant ideas the children had, and completed through into the colourful creative posters, and finally running their stalls raised an amazing £260! What a fantastic entrepreneurial afternoon! A huge thank you to all our 'Friends' for making this event happen.

Please remember to hand in your 'parent feedback form' enclosed with your child's report. We really do appreciate your feedback. More copies are available in the office. Thank you.
