Friday 18th September

We have all enjoyed the 'Autumn' weather this week, with children being able to play with outdoor equipment and resources selected for each 'bubble' and cleaned in between use. I especially like the spirited neighing of the hobby horses!

Reception have had their second week taster in school, with parents leaving them for a while, thank you for your trust in us.

Diane Blackie—Interim Headteacher

MINACK THEATRE TRIP

Weather permitting, we are all heading to the Minack Theatre this week. Can children please remember to bring a waterproof coat and trousers and possibly something waterproof to sit on. Please also bring a water bottle to be kept in school for trips and break times.

ATTENDANCE

Good attendance is vital for learning. The national minimum expectation is set at 96%. Please help us achieve this and support your child's learning. I will post the attendance figures for September when we get there.

Story Box Books

If you have any Story Box Books at home, please may we ask that they are returned on completion of reading.
