Friday 16th July 2021

Children will be coming home with belongings from their cloakrooms next week as we clear out in preparation for the holidays. Can we also ask that any books belonging to school; story books and/or Read Write Inc (especially Year 2s) be returned before the holiday. Thank you.

We are lucky enough to be having work done to our resources room and the KS2 toilets across the holidays. Hopefully both will be spick and span ready for the Autumn term.

Next week we finish on Thursday 22nd July with a 1.30pm finish. (Please can we ask for A-L surnames to be picked up at 1.25pm and M-Z surnames 1.35pm).

Flora Choughs

For wonderful creativity, determination and for brightening every day.

Ocean World Performance

Well done to everyone who took part in Ocean World! Some of our choir members have written a short recount:

It was quite daunting when we got to the rehearsal because sooooo many people were already watching and WE were the first school to do our dance! Fortunately, we remembered it all, the fish looked great and it was actually really fun.

We had our dinner in the café overlooking Porthcurno Beach and some of us think we even saw a dolphin (though it could have been a grey rock!)

Two coaches got stuck in the valley which meant most of the audience were late so we had to wait for them before we could start but once it got going, and we saw the whole show for the first time,

it was amazing! The older singers and dancers were fantastic and VERY flexible and the musicians brought the show to life!

Thank you to the Minack for putting the show on - we will wear our t-shirts lots and lots!

Introducing Takeover Tuesdays!

Every Tuesday we will be serving up some of my favourite meals, developed to help encourage little ones to try new tastes, textures and flavours.

I have worked closely with Chartwells to create an exciting menu that nourishes young minds and bodies with yummy dishes such as Chicken Filo Pie, Crunchy Topped Fish & Cauliflower Cheese and Oodles of Noodles.
