3rd June 2026

Dear Families,

Great Garden Tidy

At St Levan School, we love our outdoor spaces. Following the tree damage caused by Storm Goretti, we have not been able to make as much use of the garden as usual. As a result, there has been a significant amount of weed growth.

As the weather improves (hopefully!), we would love to spend more time outdoors. With this in mind, we are inviting any parents who have the time and inclination to join us at school this Friday, 5th June, at 1:00 pm to help clear the garden.

Please bring your own gloves and tools if possible. We do have some tools available for anyone who is unable to bring their own.

The paths need to be cleared and weeds - especially those that prickle or scratch - need to be removed. Vickie Hugh-Jones will be on hand to provide guidance if needed.

Many hands make light work, so please help if you can. We would greatly appreciate your support!

Best regards

The St Levan Team
