Dear Families

PK Porthcurno - Consent

This week Puffins took part in a fabulous media literacy workshop with PK Porthcurno.

As part of the workshop PK Porthcurno collected some anonymous feedback from the children. In order to use the feedback in their reports to the project funders (Ofcom) they require parental consent.

As the feedback is anonymous, we presume that you are happy for the quotes to be used.

If you do not consent to this, please email the office by Wednesday 18th March 2026.

Kind regards

The St Levan Team
