

27th March 2026

Dear Families

Thank you to everyone who came in to meet the teachers and review your child's learning journey. We hope you enjoyed looking through the fantastic work in their books.

Here at St Levan, we really value our community events. Last year, we missed a few due to the refurbishment and one of those was our much-loved Big Breakfast. We are delighted to announce that it will be returning on Wednesday 22nd April! Why not treat yourself - arrive a little later to work and start your day with a delicious breakfast in the Puffins classroom? Further details to follow.

Next week may be a short one, but we will, as always, be packing plenty in. Puffins will be heading out to begin a hands-on science project in St Levan Churchyard, while Choughs will be putting their skills to the test by designing and building waterproof shelters in the garden.

On Wednesday, Rachel will be in school for piano and violin lessons. This session will act as a catch-up for the lesson missed following Storm Goretti.

A few reminders:

- Please send in duck race forms and payment before next Thursday.
- School will finish early next Thursday, with collection at 1:30pm.
- Don't forget that the clocks go forward on Sunday morning!

Best wishes
The St Levan Team

Attendance 2025/26

96%

Choughs = 97%

Puffins = 96%

Star of the Week

Choughs: Edward for being so brave and determined at swimming. You should feel so proud!

Puffins: Henry for superb effort in handwriting and excellence in problem solving in Maths – well done!

Please join your classmates eating the delicious menu.
All prepared and cooked on the premises by Steve!

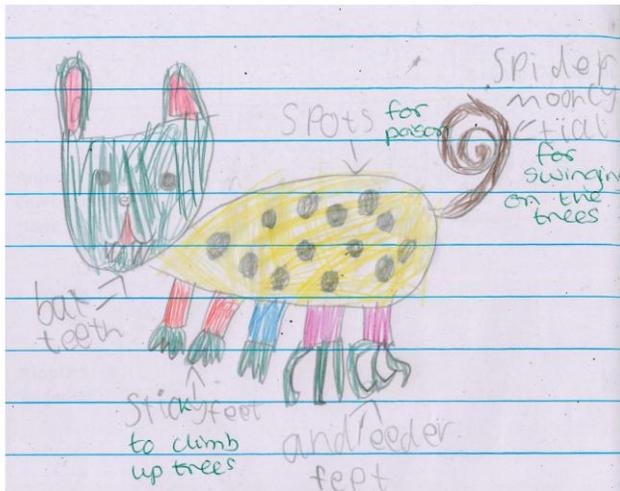

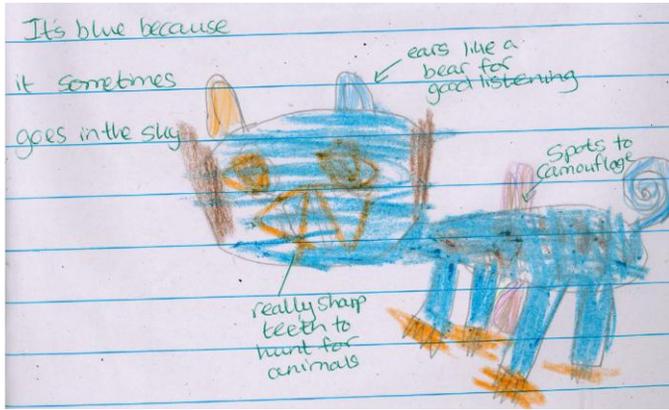

Menu for week commencing 30th March

Monday	Pasta carbonara Vegetable & cheese pasta (v) with vegetables	Shortbread
Tuesday	Homemade margherita pizza (v) with salad	Fruit crumble with ice- cream
Wednesday	Pasta bolognaise Lentil bolognaise (v) with vegetables	Homemade doughnuts
Thursday	Jacket potato with cheese and beans (V)	Chocolate chip cookie

Please talk to us if you have a food allergy, intolerance or coeliac disease. We want to cater safely for everyone.

Rainforest Creatures

After learning about how animals are adapted to their rainforest habitat, we designed our own rainforest creatures with some weird and wonderful adaptations!

South Pole Inspiration

Thank You Vickie!

We would like to say a huge thank you to Vickie for visiting us this week and sharing the incredible journey she undertook to the South Pole. She brought stunning photographs and spoke about the challenges she faced while reaching her goal. The children saw the harsh conditions, the vast ice and learnt about how Vickie and her team were able to survive in this challenging environment. The visit linked closely with our learning in Geography about Ernest Shackleton and his remarkable expedition. The children made strong connections between historical expeditions and modern journeys. They asked thoughtful questions and showed great curiosity and many now want to undertake their own expeditions! Thank you for inspiring us Vickie!

We are now in the process of writing texts about why the polar regions need protecting.

Summer Term: Important Dates
