8th July 2025

Dear Families,

We're excited to invite you to **St Levanbury**, our very own small-but-mighty music festival, bringing together the children, their families, local musicians and friends of the school, for an evening of shared music and community spirit.

Join us at **St Levan Playing Field** on **Friday 18th July from 4-7pm** for performances from across the St Levan community, featuring our fabulous pupils, staff, parents, school alumni, and local friends and supporters of the school. It's all about music, togetherness and having a good time. You are welcome to bring family and friends.

There'll be an awesome **vegetarian paella** cooked on site by the brilliant **Tristan and Vickie** and you're welcome to **bring your own drinks**, picnic blankets and chairs to get comfy. There will be a marquee to stage the event, and informal pop-up performances!

St Levanbury is a real team effort - every part of it is generously offered by people who care about this community. We'd love you to come along and be part of it.

Date: Friday 18th July

Time: 4-7pm

Location: St Levan Playing Field (the old cricket pitch)

For a taste of last year's inaugural festival, please follow this link:

[St Levan Primary School - Summer Festival](#)

We can't wait to see you there!

Warm wishes,

Richard Blackborow and the St Levan Team
