

Friday 25th September 2026

Dear Families,

This week, the Reception children had their first full week in school. We bet they will be tired this weekend but they have all done incredibly well!

Years 3, 4 and 5 enjoyed their first swimming lesson of the term on Tuesday. They did a fantastic job remembering their kit and getting themselves ready before and after their swim.

Year 6 had a lovely trip to Cape Cornwall School on Wednesday, where they enjoyed taster sessions in Science, English and Art.

Last week, we said that hockey was the sport of choice. However, by the end of this week, Puffins had gone football crazy! Mr Chalwin delivered a lesson on ball control on Thursday and by Friday, we were really impressed by the number of goals being scored. We are also delighted to report that all of our windows remain intact...

Next week is the school census and it is really helpful for school funding that all Choughs order a school lunch. Pizza is on the menu, so it promises to be a delicious meal not to be missed!

On Friday, we will be holding our Welcome Supper; we can't wait to see all our families at Sennen Churchtown Hall for what promises to be a lovely occasion.

You will see on the last page of this newsletter that the St Levan Feast celebrations are coming up. If a whole day feels a little too much, why not come along around lunchtime (between noon and 1pm), when we know several families with children are planning to attend.

Wishing you all a wonderful weekend.

Science

We have been learning about the properties of everyday materials. We sorted objects according to their properties. We learnt words like transparent/opaque, waterproof/absorbent, shiny/dull and hard/soft.

We have also been learning about seasonal changes and spotted signs of Autumn outside in the garden. There were brown leaves on the ground and apples on one of the trees. We noticed how the leaves were changing colour and how crunchy they were!

Maths Outside

It has been such lovely weather, that Puffins have been able to take their Maths outside. Year 3 have been using Base 10 to help them add and subtract 10s, 100s and 1s.

Jabberwocky!

Puffins have also been busy on their retellings of Jabberwocky by Lewis Carroll. They have been working hard to include adverbial phrases, speech and ambitious verb choices. Here are some extracts.

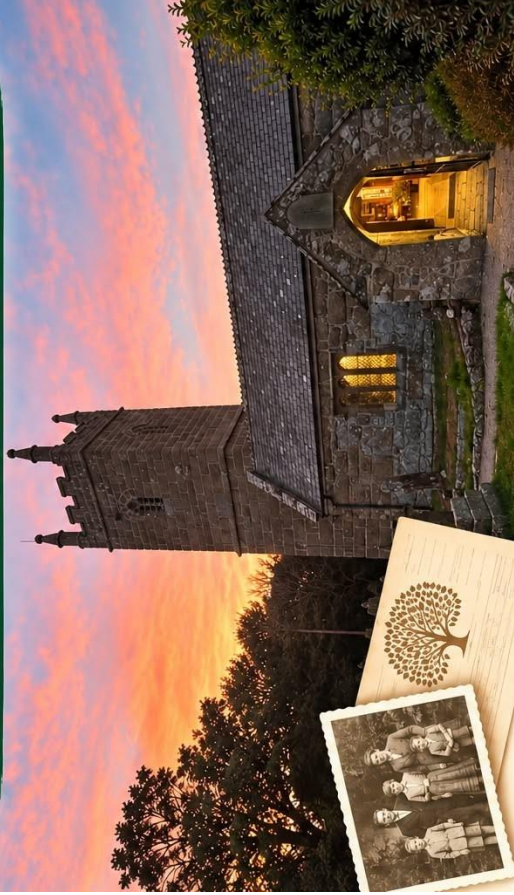

~~A~~ Darknas covered the forest
~~was~~ swallowing the exhausted
~~night~~
~~knit~~ and his house. Seeing a
knight
turn ~~turn~~ tree, the knight
dismounted. He slowly lowered

his aching body to the muddy forest
floor. He was ^{eggsorted} ~~eyes~~ ~~or~~ ~~s~~,

In a place far, far away, where the borogroves did ~~gaze~~
and gimble in the wake, the trees rustled like leaves
blabbling and spraddling across the muddy, dirty ground.
