# **PlanIt Subject Overviews**

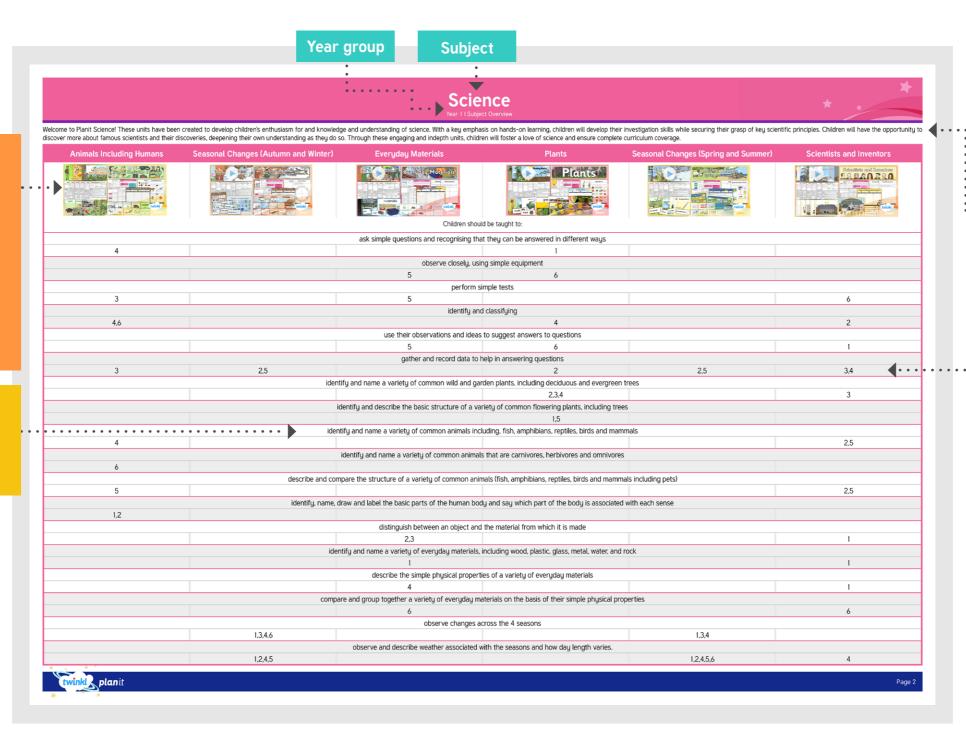

# The Units

Each subject area has been split into a minimum of six different units for coverage of the 2014 National Curriculum throughout the school year.

These units contain an overview, lessons packs, an assessment pack, additional resources and corresponding home learning packs.

#### Aims

These aims are taken directly from the 2014 National Curriculum.

### Introduction

This explains how the units have been written, the skills that the units plan to develop as well as the thinking behind each planning pack.

## Numbers

These numbers identify which lessons in the unit build upon the National Curriculum aim.
