

26th April 2024

Dear Families

We've had another lovely week with loads of exciting visitors!

Our favourite visitors this week, without a doubt, were next year's Reception children. They joined the Choughs for a singing workshop - thanks Chris from MADE Arts!

Our other visitors were really important as they were helping us learn how to stay safe - thanks NSPCC and RNLI! Check out <https://www.childline.org.uk/> for some fun activities.

Thank you for signing up for the Summer term clubs offer - most of the clubs started this week, the remainder will start next week. Loads of you have signed up for Sports - so let's hope the weather is kind to us...

I can't believe that NEXT WEEK IS CAMP! How did that come around so quickly? We are going to miss our Year 4-6 children. However, the rest of us won't feel too left out as we have planned a lovely trip to see the Prague Boys Choir.

We sent out lots of trips letters this week, so please make sure you check the app and add your consent, order packed lunches etc.

Would you like to enter the Number Heroes Competition and have a chance to win £1000 of prizes for the school (and a £50 voucher for yourself)? Let your imagination run wild and create a picture of how you will use numbers in your dream job or hobby. Complete the worksheet attached and return it to school before the 31st May.

Stars of the Week

Choughs: Ursula - for phenomenal effort in maths! Well done.

Puffins: Beau - for wonderful effort in your writing! You are trying so hard with handwriting, spelling and ideas.

Attendance (YTD)

Paul Cricket Club

This year we will again be running the English Cricket Board cricket programmes for primary school aged children.

There are two programmes - ALLSTARS ages 5 - 8 and DYNAMOS ages 9 - 11.

There are 8 sessions for each age group and they start on Friday 10th May and then run each Friday evening (weather depending). ALLSTARS is 5.30 - 6.30 pm and DYNAMOS are 6.30 - 7.30 pm.

They are fun sessions hosted by qualified coaches and the clubhouse is open for food/drinks.

We are a friendly welcoming club and would love to get some interest from new children.

Register via the below link or check out the Facebook page for Paul Cricket Club

Stone Age Art

Puffins have begun learning about art in the Stone Age and about the Lion Man sculpture which is thought to be around 40,000 years old and made from mammoth ivory! They experimented by creating different browns and learnt about tone, tint and shade and what each means. Our next step will be exploring bone structure and experimenting with different pencil hardness as well as charcoal.

Puffins have been busy buying fruit and veg in French!

Qu'est-ce que tu voudrais?

J'ai besoin de changement.

Ces petits pois ont l'air délicieux.

Une carotte s'il vous plait.

Chou-fleur?

Outdoor Learning

It has been wonderful to spend more time outside as the weather has begun to improve (we're ignoring today's weather!!). We have been sketching flowers, singing, identifying seasonal changes and having adventures with some new friends. These fluffy companions have gone into our time capsules along with a message to our future selves. We'll be opening these at the end of the summer term. Can't wait!

Baby photos needed!

This term in our History and Jigsaw PSHE lessons, Choughs are learning about growing up and changes. We will be talking about some of the ways we have changed since we were babies. It would be really useful if the children could bring some baby photos in of themselves when they were little. We will use these in school to talk about what differences we can see and what new things we've learned since we were babies. We will be doing this during the week beginning 6th May. We can't wait to see them. Thank you!
