Dear Families

The Puffins were magnificent at the Minack on Monday! They all put in so much effort, we were very proud. We were also thrilled to be able to hand over **£575** raised by Puffins for the Cornwall Air Ambulance - what an amazing amount for a class of only 21 pupils - well done to you all and thank you to those who supported!

On Tuesday, we bid a fond farewell to Mrs Flynn. We had a small celebration assembly and thanked her for all she has done for us in such a short space of time - we will miss her!

Even though music lessons officially finished for the summer last week, Rachel still found time to come in on Wednesday to have a final run through with the children who will be performing later today at the festival. Rachel is not only an inspirational teacher but she is also so flexible with moving music lessons around to fit in with the various activities our children are always getting involved in. Thank you Rachel!

Have you signed up for the Summer Reading Challenge yet? We know that some of you are already underway with the challenge. We would love to have Vicky come and award a bumper pile of certificates in September - so get reading!

Please join us at 4pm **TODAY** at St Levan playing field for our much anticipated musical extravaganza! There will be performances by pupils, staff, parents, school alumni and local friends and supporters of the school.

We are also looking forward to a vegetarian paella cooked on site by the brilliant Tristan and Vickie. Bring your own drinks, plates & cutlery, picnic blankets and chairs. **See you there!**

### Stars of the Week

**Choughs:** Henry for trying your best in writing and being a wonderful friend to all at the school sleepover.

**Puffins:** Theo, Calum, Astrid, Alice, Sadie, Flora, Summer & Holly for being wonderful members of our school, who we will miss so much!

## Puffins Shine at the Minack!

What an unforgettable experience! The whole of Puffins class took part in the Cornish Avengers production at the Minack Theatre, representing St Levan superbly well. You acted brilliantly and gave it your all — you shone, just as you always do. It was also fabulous to see you present the £575 you raised to the Cornwall Air Ambulance. What a fantastic achievement! You should all feel very, very proud. Well done, Puffins!

## Minibeast quiz

As the end of our minibeast topic is in sight, we have been reviewing all the things we have learned about bugs and their microhabitats. Back in April, we were shocked to read a newspaper article all about young children struggling to name common bugs and insects. 61% did not know a daddy long legs and 38% were unable to name a ladybird. Outrageous! We set ourselves the challenge of being able to identify the top ten least identifiable common creepy crawlies. Now it's your turn. Can you name the critters below?
