Thursday 26th March 2026

Dear Families

On Tuesday 28th April, we will be visiting Paradise Park. This trip will give the Choughs class the opportunity to create observational drawings of parrots, supporting both their Frida Kahlo art topic and their Living Things science topic. We will also carry out some map work linked to Geography and are especially excited to see real-life choughs.

We will leave shortly after morning registration, travelling by minibus and will return to school by 3:15pm. Please ensure your child arrives punctually (as usual), as we aim to depart as soon as possible after 9:00am.

As we will be out for the entire day, please provide your child with:

- A packed lunch
- A filled water bottle
- A waterproof coat
- Warm layers
- Sturdy footwear

We are very grateful to the owners of Paradise Park for offering us a generous discount. To help cover the cost of entry and transport, we kindly request a voluntary contribution of £12 per child, payable via the app. Your support enables us to continue providing valuable learning opportunities such as this in the future.

Thank you for your continued support.

Kind regards

The St Levan Team
