

6th March 2026

Dear Families

Has Spring sprung? We have enjoyed a few days of sunshine, it's been glorious and we have learned outside where possible. Unusually, we are writing the newsletter on Thursday - will the sun last until the publishing date tomorrow?

You probably heard that we had a jackdaw trying to make a nest in the Puffins classroom. Luckily, we managed to get it out safely – much relief all round! Maybe he had come in looking for the woodlice that have found homes in the Puffins classroom, you will hear more about that next week.

The Samba band are coming on a treat. They have pretty much mastered the drumming, now they have progressed to marching and playing at the same time – that is a whole new level of complexity...

Mr Chalwin reports that all the children have been making great progress in PE. Choughs have been playing dodgeball. Puffins have been playing dodgeball, netball and working on stretching.

World Book Day has been a great success so far, with children coming dressed as a favourite character. The range of costumes and ingenuity showcases our creativity and love of books. The aroma emanating from the kitchen smells delicious. Almost everyone has ordered a school lunch – we thank you for your support of school dinners! Look forward to the full report next week.

Next week we are looking forward to lots of visitors in Choughs! Find out who in next week's newsletter.

With best wishes

Star of the Week

Choughs: Logan for fantastic effort in all our learning – Reading, Writing & Maths. You are trying so hard! Well done.

Puffins: Bertie for always volunteering to help wherever you can - and for always saying yes to help others!

Please join your classmates eating the delicious menu.
All prepared and cooked on the premises by Steve!

Where is Brazil?

We used atlases to find Brazil in South America. We then made a giant map of Brazil on the playground, identifying important geographical features such as mountains, cities, rivers and the Amazon Rainforest.
