

6th June 2025

Dear Families

Half term already seems like a distant memory, but we have loved being back. We have been very sorry to bombard you with so many letters this week, but there are loads of lovely activities planned for the remainder of the term that we just had to tell you about!

The week got off to a creative start with both Christine Judge and John Brolly coming in on Monday to work with the Puffins in preparation for their performance in Cornish Avengers at the Minack. If you haven't already done so, buy your tickets now!

We welcomed our new Reception children this week - it was lovely to see how confident they were, and the Reception children played beautifully with them.

Thank you Bec from the Autism Team for hosting the drop-in parent café. She provided some really useful insights and information.

Thank you also to Sarah Sejahtera, our fabulous Mental Health Practitioner, for holding the first of the transition workshops - the end of the school year is careering towards us and we're doing all we can to prepare our children for the changes ahead of them.

Thank you Rachel and René for cleaning up the drive, it looks great!

Please do continue to spread the word about Little Levans - we would love to showcase our beautiful school to as many families as possible.

Next week we are looking forward to a whole school beach day on Tuesday and the Summer Fete on Friday - we are wishing for good weather for both!

Stars of the Week

The Choughlets: **Isaac** for your amazing ball skills in the playground! **Marion** for your cool confidence! **Loveday** for bringing in some amazing treasures to show us! All the Reception class for being so kind and gentle with the *new* little ones!

Attendance (Year To Date)

94%

Choughs = 93%

Puffins = 94%

Perfect Planters

Thank you Paul and Ursula for transforming the planters over half-term!

We can't wait for Steve to use some of these delicious looking herbs in the lunches!

St. Levan Summer

Fete!

At St. Levan
primary school.

2pm - 3:30pm

Talent Show;

Drinks;

Food;

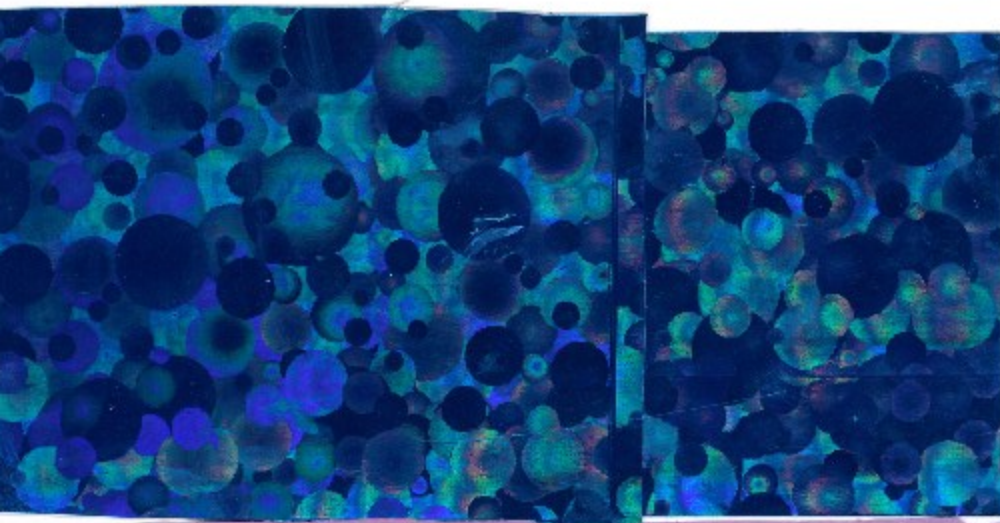

Stalls;

And more.....

St. L evan

Levan Summer Fete Friday 13th June 2-3.30pm

What WE Need

Jumble Sale Donations:

Clothes / Shoes

Books

Games / Puzzles

We would be very grateful if you are able to help with any of the following:

- Cake or bake for the cake stall - please bring on the morning of the fete.
- Sandwiches/Savoury finger foods for the tea party buffet - please bring on the afternoon of the fete.
- Suitable donations for the raffle prizes, such as a nice food/drink item or good quality unwanted gifts.
- Teddies/soft toys for a Teddy Tombola

Trip to Raftra Farm

Our recent trip to the dairy farm was a moo-velous experience! Choughs had the chance to meet adorable calves, help feed them and learn all about where milk comes from. We even got to taste delicious cheese and milkshakes made from the farm's own milk. One of our favourite bits was having a go on some of the farm's tractors, especially when we found the horn. Beep, beep! A huge thank you to Andrea for making this hands-on learning adventure possible!

The reading shed! (or MWOS) A report by ASi

MWOS (Mini World Of Stories) is the school's little library staffed by different children each day and open to everyone at break - from the teeniest Chough to the ginormous-est Puffin. It has been running since 2022 when it was named at assembly and the first ever librarians were chosen. Since then loads of new people have joined the team and they all love it!

"I really like the Reading Shed because it's very cosy and so nice on a cold day!" F.N

"It's really quiet!" R.N

"It's really nice and calm and it's like a little den!" L-B.S

"It's my happy place where I can read in silence." C.H

We are all going to be part of the process of choosing the new books for school from the Library Van and we will be starting some research, quizzes and questions to try and find what people want!

Garden Makeovers!

An intrepid team of gardeners have assembled to tidy up St. Levan's humble garden. The brambles had run riot, the greenhouse housed only weeds and the bamboo was too long: none of these problems plague us any more! All thanks to our amazing team of friends, headed up by C.H.

Before we started working on it, the garden was covered in weeds and all the plants were dying from lack of care." Our founder of the gardening team speaks. "Now we've given the garden some TLC, she's finally become the garden she was meant to be."

"We've transformed the garden into a magical place." A.L explains. "It was trash, now it's beautiful." S.B continued. B.H-G told us that "It's insane! It's changed a lot!"

They're hoping to clear all the weeds and make it an awesome place to play as they spend their lunch-breaks clearing and pruning. Go Gardening Team!

Report by AS.

Please join your classmates eating the delicious menu.

All prepared and cooked on the premises by Steve!

Term ends	Wed 23/07/2025

Information about Autism

CORNWALL COUNCIL
COUNCIL OF DISTRICTS

Together
For Families

Autism in Schools Team

Our team support autistic children and young people aged 4 to 16 who are on roll at a school in Cornwall. We support schools to include autistic children and young people in all activities. We want autistic children to be able to join in, learn, and thrive. We mostly work in schools. We sometimes work in the home. We work alongside other teams to encourage joint problem-solving. We promote support and strategies that are neuro-affirming and evidence-based.

We are a neurodiverse team and celebrate the strengths this brings. We have a mixture of professional experience, academic experience, and lived experience.
