Dear Families,

Camp Q&A Session

We are excited about the upcoming camp and would like to invite you to an optional Camp Q&A Session. This meeting will provide an opportunity for families (particularly those who haven't experienced camp before) to learn more about the camp experience and ask questions before camp begins.

Date: Wednesday 10th June

Time: 3.15pm

During the session, we will discuss:

- Camp schedule and activities
- Transportation arrangements
- Packing recommendations
- Communication during camp
- Any other questions or concerns you may have

We look forward to meeting with you and answering your questions.

Best regards

The St Levan Team
