Thursday 13th November 2025

Dear Families

Friends are fundraising to raise funds to improve the outside space at school.

We have signed up to an organisation called easyfundraising.

You can help us by collecting free cashback donations for Friends of St Levan Primary School every time you shop online - all courtesy of the retailer you shop with.

It's free to you – the money comes from the retailer.

Many retailers have signed up, including Tesco, Sainsburys, Morrisons, Argos, John Lewis, M&S & Amazon.

School could receive a donation each time you shop online at Amazon or for groceries!

To support us with this you need to:

1. Download the app at
<https://www.easyfundraising.org.uk/easyfundraising-app/>
2. Select Friends of St Levan Primary School

Then you have 2 options:

- a. Recommended: accept the browser extension – this enables you to get donations every time you purchase from participating organisations
- b. Alternatively: go via the easyfundraising app when you purchase items online, you will get redirected to the retailer's website to continue as usual, but you will generate a donation

Many thanks

The Friends of St Levan School
