

27th June 2025

Dear Families

This week, we have enjoyed having next year's Reception class with us nearly everyday! They have been great - every one of them so confident!

On Wednesday, we enjoyed a whole school trip to the Minack to see the Wind in the Willows. The Minack as ever looked after us very well and we had a great vantage point from the front two rows. Special mention to Miss Trembath who did multiple trips in the minibus - it's a tricky road to Porthcurno in summer traffic!

The main event this week was the multiple workshops run by the students from the Royal Central School of Speech & Drama (RCSSD). The weather was kind and they have had the Choughs outside being very insect like. Puffins have been creating a play about sea life. Think fabulous models of whales and jellyfish slime!

Next week, there will be several trips to Cape and on Wednesday Mr Hooper and Vickie Hugh-Jones will be hosting a Pickleball Day!

### Stars of the Week

**Choughs:** Felix for trying your absolute best and for amazing team work on Sports Day. Well done!

**Puffins:** Freya for superb dedication to story writing! You now have 3 short story contenders for the competition. Which will be your top pick?

### Attendance (Year To Date)

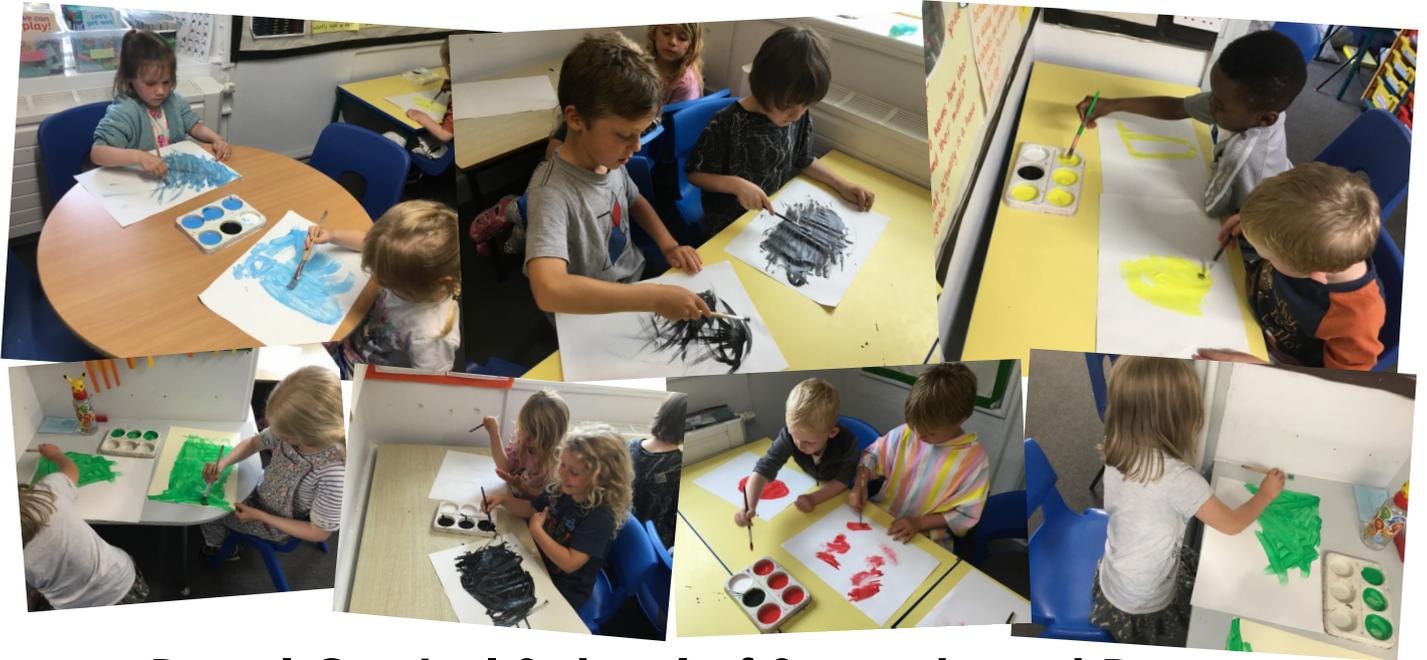

94%

Choughs = 93%

Puffins = 94%

## Eric Carle Collage Art

We have read lots of lovely Eric Carle stories with our special visitors from CLIMATE this week. Inspired by this, we used big brushes to paint colourful sheets in the style of Eric Carle. We will use these to make our own mini-beast collages next week. Watch this space!

## Royal Central School of Speech and Drama

Thank you once again to our friends from RCSSD. We have had another busy week with lots of making and creating!

# Pollination Experiment

We made bees using pipe cleaners and then observed how pollen (crushed cheesy puffs) was passed from flower to flower when our bees landed on them. We especially enjoyed doing waggle dances with our bees! This followed on from our wonderful learning with the RCSSD.

## Sensational Lighthouse!

AL has been busy on a home learning task, making a lighthouse with working light!

It has been shining our across the classroom all week!  
Well done!
