Dear Families

Choughs have been learning about the Rainforest. A perfect outing to support this topic would be a trip to Paradise Park where we could see some of the birds that would usually reside in a rainforest, sketch some of them and then top off the day by playing in the soft play area. We are aware of the cost of living challenge for many of our families and that this trip in particular is more expensive than most other experiences we offer.

Therefore, we are gathering expressions of interest as to whether you would be able to support the trip financially if we were to plan it.

We would have to charge £18 per Chough to cover costs.

Please reply using the slip below:

Kind regards,

The St Levan Team

Child's name:

I **would / would not** be able to contribute £18 towards a trip to Paradise Park.
