6th June 2025

Dear Families

We have carefully developed our personal, social, health and economic education (PSHE) lessons to ensure that sex education is taught in an age appropriate manner.

We use JIGSAW PSHE and have developed a bespoke progression that appropriately meets the needs of our mixed age setting. More info can be found on our website under Curriculum, PSHE and RSE.

In the second half of the term, there are two lessons being taught in Year 5 and 6 which you can opt out of if you wish:

- Conception
- Conception and birth

If you wish to withdraw your child from these lessons, please send an email or letter to the school office.

Yours sincerely

St Levan Team
