

20th March 2026

Dear Families

It has been a lovely week, especially with some sunshine!

Thank you so much to the RNLI for coming in to give all our children important advice about staying safe in and around water. The messages they shared clearly stuck as, at the swimming pool on Tuesday, Year 1 and 2 children could remember that they had to float to live and demonstrated some fabulous star floats!

Year 3 & 4 had a great trip out to Cape Cornwall Sports Hall on Wednesday where they enjoyed cricket, golf, football & badminton! Let's hope they can use some of their improved sporting skills when playing dodgeball in the playground – you would not believe the number of balls that fly over the fence!

Steve always spoils us with his cooking, but this week has been particularly good. The homemade breaded chicken with soy and honey dipping sauce was delicious and we enjoyed trying the Savoyarde pizza – who knew crème fraiche would be so scrummy on a pizza.

Today is Red Nose Day; the children are looking amazing with their wild hair and red outfits!

We are looking forward to welcoming all parents into school next Wednesday and Thursday for parent consultations. You should have received an email confirming your slot.

Best wishes

The St Levan Team

Attendance 2025/26 97%

Choughs = 97%

Puffins = 96%

Star of the Week

Choughs: Nancy for outstanding place value work in Maths and for fantastic full stops and capital letters in your rainforest writing. 😊

Puffins: Ayana for superb reasoning in Maths, being determined to fully solve and explain every problem and kindly sharing your knowledge with others!

Please join your classmates eating the delicious menu.
All prepared and cooked on the premises by Steve!

Menu for week commencing 23rd March

Monday	Macaroni cheese(v) with vegetables	Shortbread
Tuesday	Chicken balti (mild) with rice Potato and chickpea samosa with sag aloo sauce and rice (v)	Pineapple cake
Wednesday	Homemade quiche Lorraine or vegetable quiche (v) with salad and new potatoes	Oat biscuit
Thursday	Pasta bolognaise Pasta with lentil Bolognaise (v) with vegetables	Homemade sticky toffee pudding
Friday	Jacket potato with cheese and beans (V)	Lemon sponge cake

Please talk to us if you have a food allergy, intolerance or coeliac disease. We want to cater safely for everyone.

News from Puffins!

Puffins have had a busy and productive week. In science, we have been investigating mould growth on bread. So far, we have found that extreme temperatures - both too hot and too cold - prevent mould from growing, leading to some thoughtful discussions about the conditions needed for living things to thrive.

Year 3 and 4 represented the school brilliantly at Multiskills, showing determination and enthusiasm across a wide range of activities. It was great to see everyone giving their best and supporting one another. Well done! Thank you to Cape for organising such a fun event!

Rainforest Visitor

We were delighted to welcome Megan to Choughs class, where she shared stories from her visit to the Amazon rainforest in Brazil.

Megan showed us photos from an archaeological dig she took part in, as well as images of the indigenous people she met during her travels. She also brought along a range of artefacts, including a bow, a bag, and a colourful macaw feather headdress, which the children found especially exciting. We looked at maps to see exactly where she had been, helping us understand more about this incredible part of the world.

The children thoroughly enjoyed the visit and were inspired by Megan's experiences. Thank you, Megan!

Art Club

In Art Club, the children enjoyed using natural materials to get creative outdoors. They used catkins and cones from alder trees to make beautiful pictures and patterns in the sunshine, exploring shape, texture and design.

Memories of Chocolate

We enjoyed sharing stories about childhood memories of chocolate, each one full of personality and humour. One story told of a family of fourteen who rarely had any chocolate at all, making it feel extra special. Another remembered a dad bringing home four Milky Way bars as a treat, carefully placed on top of the TV for everyone to share. Our final tale made us laugh, as three cheeky siblings secretly ate After Eight mints and put the empty wrappers back in the box each Christmas - much to their parents' surprise!

We enjoyed acting this one out ourselves with a box of chocolates!

MESSY church

A meal to remember

Food, fun, friendship

You are welcome to join us
Sunday 22nd March
4-5:30pm St Buryan School

Crafts,
games,
stories,
fishing
