Final Songfest Information

Dear families

The singing in last Thursday's rehearsal with Angela Renshaw sounded fantastic and we are all really looking forward to the final Songfest performance at St John's Hall next Thursday (27th March) – it should be brilliant!

We will be leaving St Levan on the mini bus before the end of the school day so children will be able to have lunch at school. They might want to have a hot, school lunch at this time so they will only need one packed meal. (Please ensure they know this so they don't eat the wrong one at lunch time!)

Once at St John's Hall, we will have a final rehearsal from 4:00 – 5:30pm. We will then stay back stage having our evening meal and getting ready until the performance begins at 6:30pm (doors open at 6:00pm).

We will be given the Songfest T-shirts when we arrive at St John's Hall. **Please can children wear as dark coloured trousers, socks and shoes as possible (preferably black)** for the performance. They can bring these in bag if they do not wish to wear them for the school day.

Miss Trembath and Miss Finch will be travelling with the children and will stay with them for the afternoon and evening until they are collected at the end of the performance. **This will be at approximately 8:15pm but as is the case with live performances, it is difficult to know exactly.**

We look forward to seeing you there.

Yours sincerely

The St Levan Team
