Thursday 26th March 2026

Dear Families

As we move into the summer term, the weather can often be changeable, with a mix of sunshine and showers throughout the day. To ensure that all children are comfortable and prepared for outdoor learning and play, we kindly ask that they come to school equipped for a range of weather conditions.

Please ensure your child brings:

- A sun hat
- Sun cream (to be applied before school, with a bottle brought in to school in case more needs to be applied later)
- A filled water bottle
- A waterproof coat

We also ask that children wear suitable footwear for outdoor activities. Shoes should be comfortable, secure, and appropriate for running and playing outside. Open-toed sandals, flip-flops, or shoes without adequate grip are not suitable for school.

Having these items in school each day will help us make the most of outdoor activities while keeping everyone safe and comfortable.

Kind regards

The St Levan Team
