Friday 20th November 2026

Dear Families,

Last Friday, the children and staff dressed in yellow and spots to support Children in Need. Thank you for your generous donations, which have now been sent to the charity.

We are coming towards the end of the swimming programme for Years 3, 4 and 5. The children have done an incredible job and should be very proud of themselves. Many have made significant improvements in both confidence and technique. As always, they have been excellent ambassadors for our school during their visits to the pool.

This week, rehearsals for the Christmas play have been in full swing, with the children working hard to learn their lines and perfect their performances. Behind the scenes, Miss Trembath and Mrs Rowe have been busy transforming cardboard, paint and plenty of creativity into an array of props. We are looking forward to seeing the production come together over the coming weeks.

Thank you to everyone who has donated items for our Christmas hampers and Teddy tombola. Your generosity is greatly appreciated and we are still very grateful for any further contributions.

We are delighted to be welcoming the acclaimed children's author Tom Palmer to school on Monday. We know the children will enjoy meeting him and hearing about his work.

Next Friday, we will be hosting Little Levans for a fun session for under-fives. We will also be running a family singing workshop led by Kelsey Michael. Together, we will be learning the beautiful St Day Carol. Further details will be shared soon.

Please publicise the Christmas Happening – on Saturday 5th December from 11am until 3pm!

Best regards,
The St Levan Team

Attendance 2026/27
96%
Choughs = 97%
Puffins = 95%

★☆☆ Star of the Week ☆☆★

Choughs: Avila for showing great kindness, determination and resilience and for always trying your best. Well done!

Puffins: Reggie for being brilliantly positive and bringing your amazing smile and sense of humour to our classroom!

Please join your classmates eating the delicious menu.
All prepared and cooked on the premises by Steve!

Friday	**Jacket potato (v) with cheese and beans**	**Homemade mini tartlets with crème pâtissière and meringue**

Please talk to us if you have a food allergy, intolerance or coeliac disease. We want to cater safely for everyone.

Rockets

In Art, we have been making rockets out of cardboard boxes. We thought carefully about the parts of the rockets we needed to build and the best shapes for these. After some decorating, we chatted about what went well, what didn't and how we'd do things differently next time.

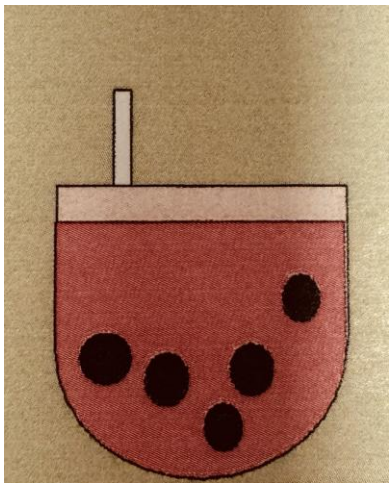

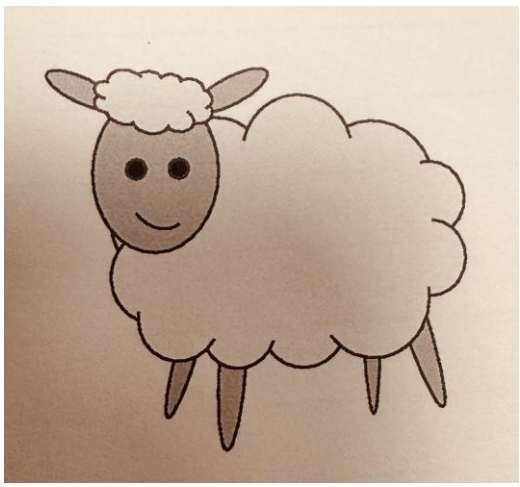

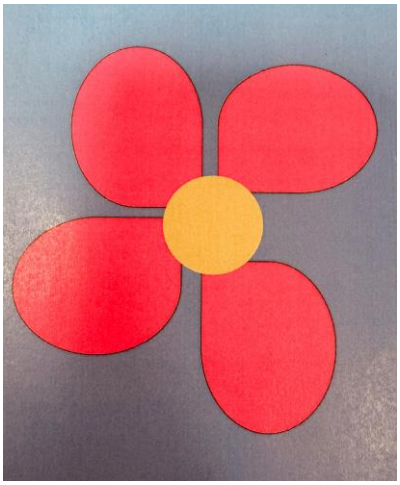

Puffins – Vector Drawing

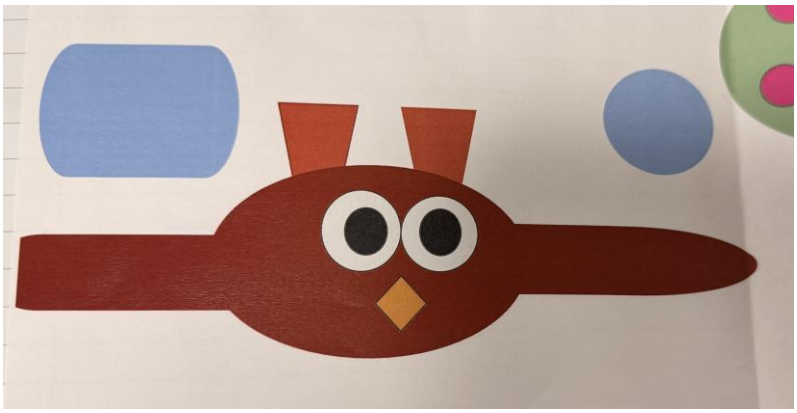

Puffins have been developing their computing skills by exploring vector drawing (creating digital pictures using shapes and lines that can be resized without losing quality).

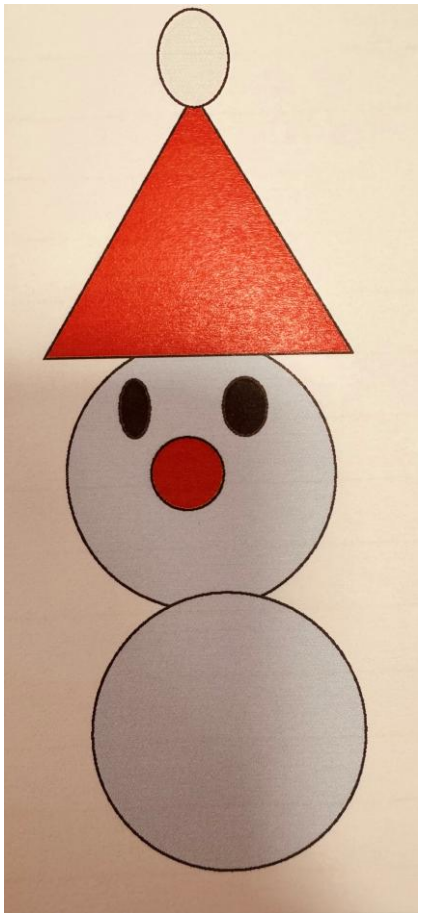

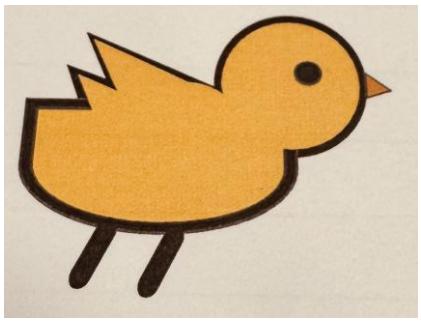

The children have learnt how to combine shapes, change fill and border colours, duplicate objects, group shapes together and arrange them in different layers. They have put these skills into practice to create some great images.

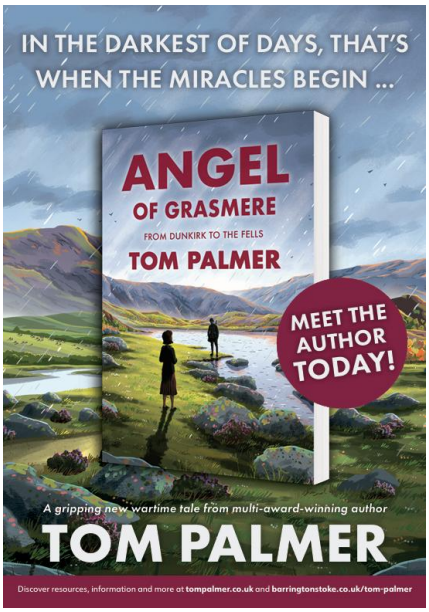

Tom Palmer's Visit on Monday!

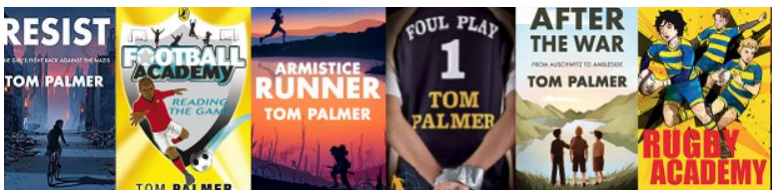

Just a reminder that award-winning children's author Tom Palmer will be visiting school next Monday!

We're really looking forward to welcoming him and hearing more about his books, his writing and where he finds his inspiration.

Remember, if you have any Tom Palmer books at home, don't forget to bring them into school on Monday for him to sign!

We have some of his books in school ready for you to enjoy!

We're looking forward to a fantastic day!

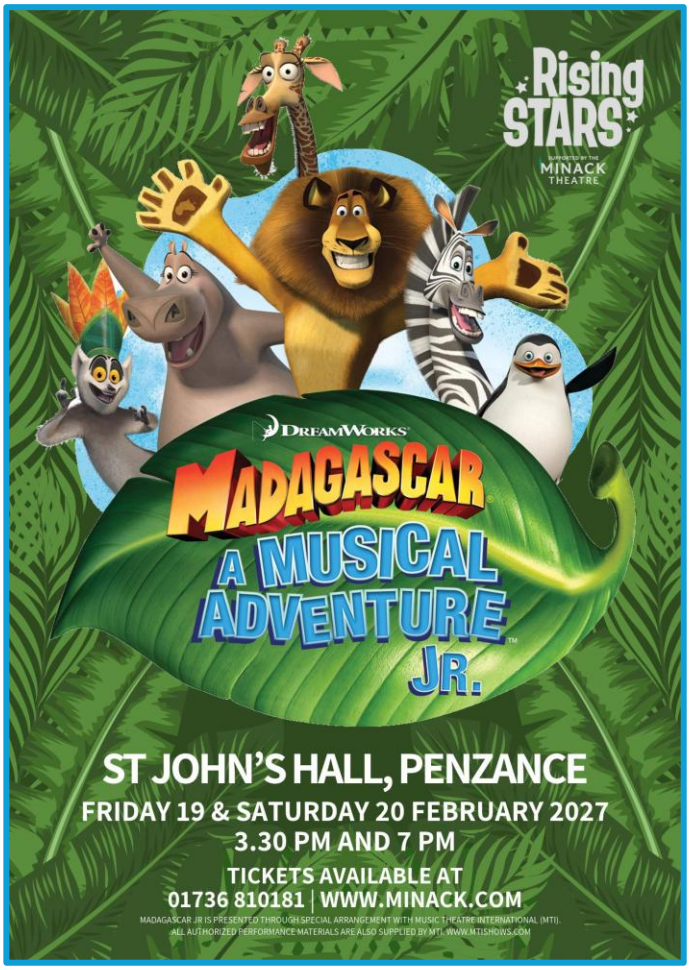

easyfundraising

Help raise funds for Friends of St Levan Primary School - simply by shopping online.
easyfundraising turns your everyday online shopping into FREE donations when you use them to shop with over 8,000 retailers such as eBay, John Lewis & Partners, Argos, ASOS and Booking.com.
