

Dear Parents,

With the warmth of the sun beginning to increase, I hope you all had a good Bank Holiday weekend with friends and family. As it begins to warm up please could the children bring a sun hat and or sun cream with them to school as it can become quite warm outside in the playground during the school day.

Reminder – Monday 8th May is a Bank Holiday and the school will be closed.

Our exciting club provision begins today with code club after school. Some of Year 5 and 6 children are competing in the local swimming gala on Thursday and we have the ongoing rehearsals with the Minack Theatre at school, all to look forward to this week.

Head teacher's Awards

Theo – for a heart felt piece of writing in your Greek topic.

Morvy – for your excellent understanding of our reading group novel and your inference skills.

Stars of the week

Choughs Class

Erin – for your overwhelming self confidence in the water as you begin to learn to dive!

Puffins Class

Astrid – for superb development of ideas in your writing – excellent use of : and ; well done!

Attendance

Our whole school attendance

98% Choughs

100% Puffins

99% Overall

Lastly,

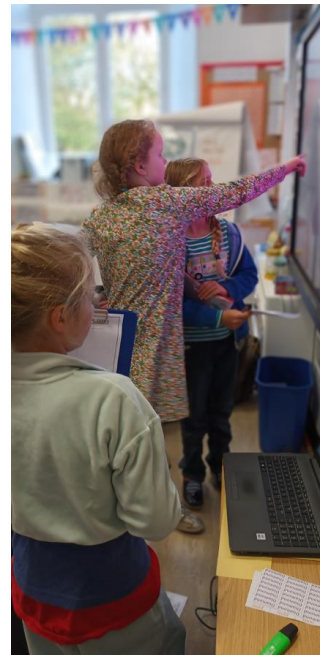

Thank you for your patience and flexibility regarding the rescheduling of the parents' evenings from last week to this week. Additionally, I have appreciated and taken on board any concerns and/or thoughts raised with me in the last week regarding the rescheduling and once again thank you for your support and flexibility.

Good luck to our year 6's next week in their SATs tests! You are all absolutely amazing and we are all immensely proud of you!

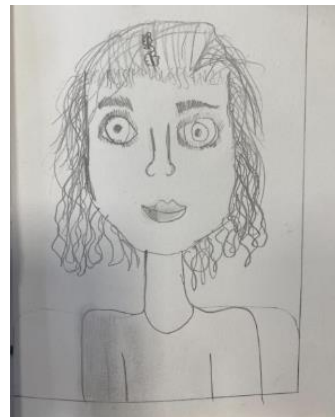

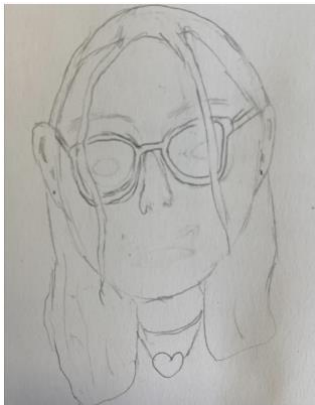

Thank you for your continuing support,

Mark Francis

Head teacher

Art in Puffins - As part of our Art lessons learning about portraiture,

Puffins were asked to complete a 10-minute mini self-portrait. Some are incomplete but can you tell who each one is?

We have also been working on colour matching colours, tints and shades used by Leonardo da Vinci using a limited palette (cool and warm red, cool and warm yellow, cool and warm blue, black and white).

We studied some of the techniques he experimented with during his lifetime (such as not having defined outlines) as part of our learning and will look at other techniques in coming lessons.
