Dear all

The Christmas Happening is happening and the Friends are getting excited about producing a magical day and also raising funds for the development of St Levan's outdoor space, so the children can learn and play outside more. This year, we're hoping to produce a recipe book full of family favourites to sell at the school fayre.

We are seeking a range of favourite recipes - main courses, celebratory specials, weekday dinners – the only requirement is that your children enjoy eating it.

We are asking each pupil to submit a recipe from one of their favourite meals, that we will be able to share and hopefully inspire other families and cooks to try. They do not need to be cooked from scratch, so please include short cuts - we're just trying to help parents and carers with some quick weekday meal ideas.

We're hoping to end up with a set of recipes that we can publish and sell both at school and to the wider community. We have attached a template for the information needed and it would be great if you could help your child to complete the form over half-term and return it to the office no later than Wednesday, November 5th.

We will require some artwork to go alongside the recipe. School will send home some pieces of paper of the required size (21cm x 21cm). Please could the picture fill the space.

If you are feeling really inspired, feel free to submit more than one recipe.

If we end up with duplications, we might ask for an alternative recipe, so maybe think of a plan B.

We're very excited to receiving some tasty inspiration!

Many thanks
The Friends of the School

Recipe Title: _____

Submitted by: _____

Write a few sentences about this meal. Why is it special? Who cooks it for you? Etc

Ingredients

Method

Including oven temperature and cooking time
