Dear Families,

**Choughs Class Trip to Helston Museum of Cornish Life**

As part of our topic about the history of Cornwall and how life has changed, we are excited to have the opportunity to visit the Helston Museum of Cornish Life. While there, we will be taking part in a workshop about Henry Trengrouse, looking at artefacts, sketching and maybe dressing up. After visiting the museum, we will be walking to the church yard to see the Henry Trengrouse memorial there and then spending some time in the playground at the boating lake before returning to school.

We will be leaving promptly after registration at 9.00 and will return to school before the end of the day at 3.15.

We would be very grateful for a voluntary contribution in order to cover the cost of the museum workshop and transport to/from the museum, so that we can continue to offer trips like this in the future.
