

8th May 2026

Dear Families

It may have been a short week, but you certainly wouldn't know it from all the learning the children have packed in! Year 6 have shown fantastic determination as they focus on preparing for SATs. Choughs have been enthusiastically practising for Little Sing - even writing lyrics across the playground in chalk! Meanwhile, the rest of Puffs have been busy sharpening their freeze tag tactics.

Later this afternoon, we are excited to welcome next year's Choughs for their first transition session. We can't wait to see them all together for the very first time! We currently have space for one more Chough next year, so please do recommend us to anyone who may be looking for a place.

We have lots of exciting trips and events planned for the summer term and next year's INSET days have now been confirmed. Please keep an eye on the Important Dates page for all the latest updates.

The music festival is now just eight weeks away! Richard Blackborow is putting together what promises to be an epic running order, but there is still room for more performers. If you would like to take part - whether through singing, dancing or playing an instrument, as a solo act, duet, family or friendship group - please contact the office. We'd love to hear from you.

Finally, we would like to wish Year 6 the very best of luck for their SATs next week - although we are certain they will do brilliantly!

Best wishes
The St Levan Team

Art Club

Painting without paint or paper!
We used water on the paving slabs and watched as our pictures evaporated. We created self portraits, animal faces and symbols of hope!

SATs next week!

Wow, Year 6 – you have absolutely impressed us with your determination and dedication to learning this week. You have worked incredibly hard all year preparing for SATs and you are ready to shine next week. We are so proud of everything you have achieved and the mature way you have approached your preparations. You are going to be sensational. Have a wonderfully relaxing weekend and we'll see you on Monday ready to rock!

The Boy at the Back of the Class

Puffins were inspired by Alexa in the boy at the back of the class and have been thinking up kind deeds. They wrote a letter to Onjali and made tiny pocket pals for the cast to have with them in case they felt nervous about going on stage. Onjali thought that was a very kind idea and so did the theatre staff. Well done Puffins!

Music Festival

This lovely summer term event, now in its third year, is a celebration of music in and around the school, featuring performances from students, former students, parents, staff, supporters of the school and friends in the wider community.

It is not about virtuosity or excellence, it is about joy, joining in, giving it a go! It is a way of inspiring each other to dip our toes more regularly in the magical pool of music.

It would be great if those of you who read this and who have any kind of musical inclination would share something with us at the festival!

Maybe you can sing us a song, or play a tune on an interesting instrument?! Maybe you've written a song we could hear? Does your family have a song it likes to all sing together? It would be so good if you could put it into the musical mix in July.

There will be lovely performances, as in previous years, but anything else you can add will help make it that bit more special. Please catch me at the gate, or mention it to Cassandra of Miss Finch if you're up for it - we'll be delighted to help make happen!
