

Monday 9th January 2023

Dear parents,

It has been a fabulous start to the new term and thank you for signing up to the afterschool clubs so quickly! As I've previously said, we have a lot to look forward to and I can also confirm the Duck Race will happen again on the last day of this term at Penberth Cove. Dates for your diary will be finalised this week, for next week's bulletin, which will include parents' evening, visits, visitors and other performances.

Please be mindful that good attendance is vital for learning for all of our children. The national minimum expectation is set at 96% and our overall attendance for the Autumn term was 92%. Please help us achieve this on a daily basis and support your child's learning and if for any reason your child cannot attend school for medical reasons, please contact the school by 0930 at the latest and for any other absence please fill in the absence request form on the website.

Thank you for your continued support,

Mr Mark Francis - Head Teacher

Lunch Money Information

All Reception and KS1 children (Choughs) are entitled to free school meals. For KS2 children (Puffins) the cost of lunch is £2.50 per day with a 5 for 4 offer if school lunches are bought for each day in the same week. It would really help us if you could **pay promptly** for school lunches. Thank you.

Bank Transfer details:

NatWest Bank

CC St Levan Community
Primary

Sort code: 60-21-37

Account no: 56592906

Please use **LUNCH** followed by your child's name as the reference.

This term, Choughs are learning about rainforests particularly the Amazon. There is more information about exactly what we'll be finding out about on our Curriculum Overview. This can be found on the school website here:

https://st-levan.eschools.co.uk/website/spring_term_2023/636000

Thank you

The Chairman of Sancreed Parish Council has asked me to pass on his thanks to the children of St Levan School who made such lovely table decorations for the Sancreed Village Lunch.

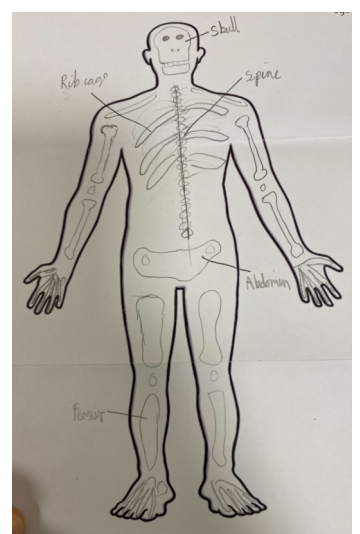

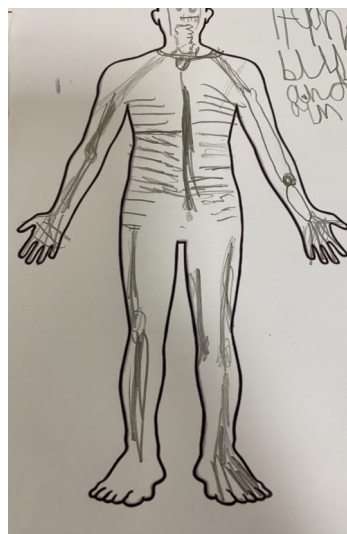

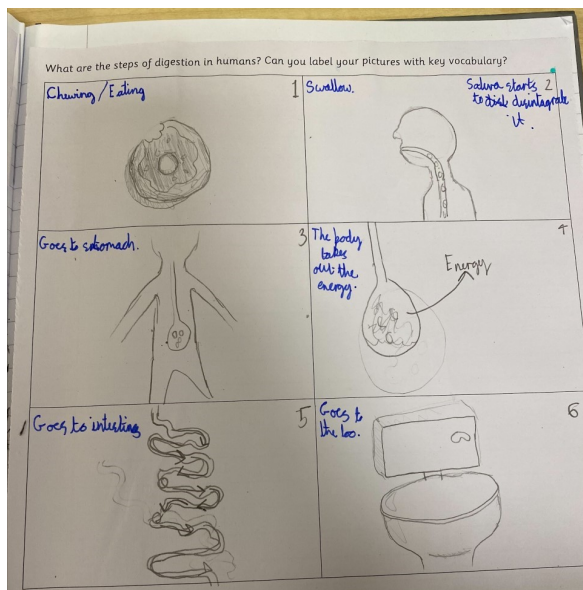

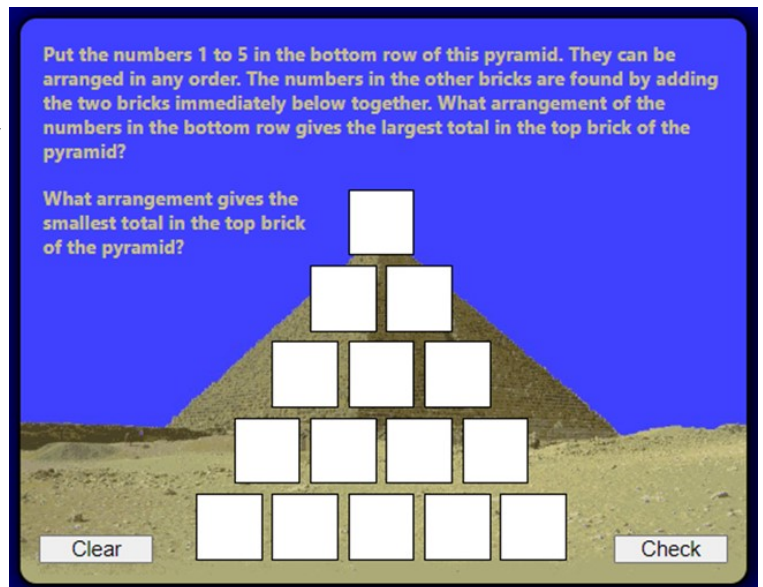

The event was a great success - approximately 20 people enjoyed attending the lunch - and the decorations helped give the day a lovely festive feel.

Our First Week Back!

Puffins have been extremely busy in their first few days back.

Shared what they already know about the human body...

Thought about their goals for the year.

And studied the art of different sculptural artists, considering how each piece made them feel.

They have begun to write biographies, starting with the life of Nikola Tesla and have experimented with static electricity - something Tesla found fascinating.
